The story is that of one Student unions, change little as the world changes. This sentiment is echoed in college and in the basis of the importance of education. This suggests that change and adaptation is always necessary, as the success of the work of the society should be adapted well to provide the value of education. The attempt to make it go by fire can do no harm. (In the winning struggle?)

Virtuoso

Gloria Becker

The man with the biggest heart is now in the army; yet his love and beauty still ring through the corridors of our society. He was a leader of our society in his freshman year, and his influence on us was profound. His presence will be missed and his legacy will continue to inspire us going forward.

Communication

Examinations are upon us again. Exams are the biggest challenge we have faced so far. However, we must keep in mind that the purpose of exams is to assess our understanding of the material we have learned. By preparing ourselves adequately and maintaining a healthy mindset, we can succeed in our exams.

Jargon in G9

by Kippe Mayer

At first glance, the name might suggest a sense of formality and distance. However, 'Jargon' in G9 is a place of warmth and camaraderie. It is a space where students can come together and share their experiences. It is a place where everyone is welcome, regardless of their background or identity. It is a place where we can all learn from each other and grow as individuals.
