Tutoring Help

I believe a necessity to the Student Association.

Tutoring provides us with such an opportunity. I also need someone who has taken Accounting I and who can tutor me on a regular basis. If you can tutor me, please contact me at your earliest convenience.

To the Editors:

Last Saturday we were sent home from the Student Senate meeting by 5:00 P.M. I am writing to you to express my disappointment in this action.

I feel that there is no reason why the Student Senate should have been adjourned at this time. The meeting was scheduled to adjourn at 6:00 P.M., but it was adjourned at 5:00 P.M. without any explanation.

Lacrossemen Outclass NCCC

Invade West Point Tomorrow

The Albany lacrosse team has won its last six games, and in the process has outscored its opponents 31 goals to 11 as they invaded North Country (C-3) and the U.S. Army field that weekend. After being shelled by Johnstown, 9 goals to 4, and Oneonta in a triangular meet two Saturdays ago, the Danes have rebounded with two straight wins over Hartwick and West Point in the last two games. Last week in the game at West Point, Albany won 11-4.

The Danes, which are now 7-1 on the year, played a strong game on Saturday, holding Hartwick scoreless for the first four quarters before winning 11-4. The only loss so far this season has come in two triangulars, two losses against Hartwick, and a single loss to St. Lawrence. The Danes now stand at 6-1-1 in the league, and are still in the running for the league championship.

Versatile musician to perform at next Coffee House Circuit

Tony Mason will be the next Coffee House Circuit performer. His mood ranges from many sources: folk, jazz, and contemporary, including a little easy listening. At age twenty-two, originally from New York City, his performing experiences are varied. He has performed at many college campuses through the Coffee House Circuit plus at the club and comedy clubs. At local San Francisco Coffee House Circuit, the Oddly Darling Coffee House, he is the frequent and the Unicorn in Boston. The reactions to his performances are varied. This is the first time I have seen and really heard. However, it is agreed that he is one of the most experienced singer/songwriters to be heard in a long time. His performance was really great.

The reactions to his performance were really great. There is a quality which makes him unique. His voice is strong and precise modern cut.
