Summer Session Enrollment Exceeds
That Of Other Years, Director Announces

With an enrollment of 1,875, the total registration of the college summer session surpassed that of all previous years. Last year’s enrollment was 1,537.

The enormous increase last year was due to the fact that a larger number of persons registered in advance of the session. The attendance of 1,875 was the result of a larger number of persons registering in advance of the session.

Members of the class of 1936, who spoke before the student body, were: Dr. A. R. Bird, president, and Professor Bernard B. Brown, head of the chemistry department.

Summer activities include: "The Nutcracker," a dancing and musical motion picture, a presentation of the "Nutcracker" in the auditorium of page hall, and the department of music.
