State College News, Saturday, May 7, 1955

You finally meet the campus queen—on graduation day!

And then you find her summing near to your house on the boy...

M-mman, that's PURE PLEASURE!

For more pure pleasure... SMOKE CAMELS!

No other cigarette is so rich-tasting, yet so mild!

P.S.-No other brand has ever been able to match the pure pleasure in Camel's exclusive blend of costly tobaccos—one of the reasons why Camel's are America's most popular cigarette!
"As Ye Sow, So Shall Ye Reap..."

"As ye sow, so shall ye reap..." Each year the seniors assert their acablons in the yearly tradition, with this good-willed activity: an ambitious harvest reaped only from vacant plots. Each year new seeds are planted, new steps are taken in an effort to further cultivate our college, our government, this past year was no exception.

The News started by breaking tradition with a complete change in the makeup of the paper and the election of our editor on a January to January basis. This is a step that we hope to follow by most of the campus organizations. As a result of another big change, this time on the part of the administration, who has incorporated drastic changes in the beginning program for the present semester and classes following.

Other new innovations effected by the Student Association were: the Student Art Exhibit, a bigger and better All-College Revue, new permanent activity cards, a re-energized SIBSERS, the Better Government Committee, Inter-Collegiate Association, Myskania's ruling on open meetings, the Jass Concert, the Exchange with Buffalo and the interest in Student Faculty Relations. Types of Government Committee, the new

Tribute To Bob

Bob Kinney is about to embark on his last year at State, and to his family and friends, we sincerely hope he will enjoy his time at the Grand Old Lady of State College. Of course, in the academic sense, he is the one who will have the last word on Bob Kinney, and in the social sense, he is the one who will have the last word on the Student-Body President. His term will end this Tuesday, and we hope the new President will carry on with the same style and enthusiasm as Bob Kinney.

Student Council

Council Approves Insurance Plan;
Names Five To ICA Commission

By MARCIA LUCAS

Wednesday night the 1954-1955
Student Council met with the last
Council members. The main points
were the passing of an ICA motion and the
approval of an Insurance policy for the coming
school year, making of Final plans for a leadership conference, and the
meeting of an ICA motion and the
AMIA and Primer budgets.

Thomas Boucher, chairman of the
supervisory committee, recommended that a scholarship be set up with
the interest from the $12,000 bear-
ing interest in the bank, which will
be $600 by January 3, 1956.
Since Mary Jane Duffy '56 was
forced to resign as Manuscript
chairman due to the major-minor
system, Dolores DeCesco '57 was named
Chairman.

The insurance committee re-
port of John Rojas '56 recommended
that Council accept Art Exper-
se's policy for the year 1953-1954, which
is $600. The insurance for the school
year will cost $15. Benefits for the
coming year include a blanket acci-
dental coverage of $500, $434 for a
student, which is an increase from this year's coverage of $500.

The chairman of the ICA com-
mitee, David Kendig '57, asked
Chairman to increase his board from
eight to 13 members. The new mem-
bers include Beatrice Englehardt, Dr.
Carolina, Marilyn DeBakko, Bids and Programs; Marjorie
Ricciardi, Decorations. Tickets
for the Ball, which will be held from
10 p.m. until 2 a.m. at the Ten
dining room. After the luncheon
will be a luncheon in Brubacher
which is an increase from this year's coverage of $500. The tests will
be conducted Tuesday and Wednes-
day.

Nominations for Songleader from
the Class of 1956 will open in the
Senior Weekend. The present Junior Class will also open
the Senior Weekend. The present Student-Faculty Com-
mittee, Ann Kinsler, Ar-
rangements; Arlene Vasko, Entertain-
ment; and Frank Loltring, Program

Grad Student To Give
Demonstration Lecture

A demonstration lecture on "Честерфилд — самая продаваемая в Америке сигарета" by Harold Dean,
Grad, will take place on June 8. Dean will
give his lecture at the State Ses-
sion of the American Physical Society
at the University of Buffalo. After
the lecture will be Marvin Pray, Associate Professor of Science.
Dr. Dean will talk on the mon-
tscope, which was a war time de-
vice for the measurement of the
dark, to the elementary student students. So, the students
may use the ultra — violet and infra-
red spectrums along with the visible
spectrum.
