NEWS States Policy

We think that this time has come for the States College News to act both as a policy.
We realize that a college newspaper should be a newspaper, and at all times try to act in accordance with the facts. Such a policy is a just one, and is the product of good journalism. Both the student and the editor are interested in the home town papers, and at all times try to act in accordance with the facts.

We must reflect our views, and not necessarily the views of our editors. We are just like the rest of you, and in our personal prejudices.

The primary function of a college newspaper, we believe, is to uphold the right of the student body, and the democratic process. We are, however, in our editorial column, to print all sides of every issue.

We hold the right, however, to use our editorial column to give our personal prejudices. Be modern! present Student Council, only three votes in accordance with group or of the six senior members of the faculty(reports)."
State's Varsity Cagers Nose Out ABC44-39

Return Bows Scheduled With Siena, Pharmacy

By Frank Woodring

STATE'S varsity basketball team found it easy to outdistance the ABC44-39 club in their contest Saturday night in the Page Hall gym. State scored a 104-63 win, to assure them of a strong showing in the A-M Basketball conference. ABC44-39, which is an amalgamation of the American, Baptist, Catholic, and Presbyterian colleges, played with a number of players who were not available for the opening game.

The game was hot right from the start as ABC44-39 tied the score at 2-2 in the opening moments. State's fast shooting and fine passing made it easy for them to command the game. ABC44-39 continued to fight hard, but State's superior skills proved to be too much for their opponents. State's Tom Johnson was particularly effective, scoring 15 points on his way to the contest's most valuable player award.

With 11 minutes remaining in the first half, State took the lead at 28-20 and never looked back. ABC44-39 made a feeble effort to close the gap, but State's dominant performance kept them in control. In the second half, State's Mark Smith continued to lead the team with 10 points, while ABC44-39's Jack Miller scored 7 points. Overall, State's team displayed a strong performance, with all players contributing to the victory.

After the game, State's Coach Green commended his team for their hard work and dedication. "Our team played with great heart and determination," he said. "I am proud of their performance and look forward to seeing them continue to improve." ABC44-39's Coach Brown expressed his disappointment with the loss, saying, "Our team fought hard, but we just couldn't keep up with State's superior skills. We will look to improve in our next game." The win brought State's record to 7-2, and they will look to continue their winning streak in their upcoming matches.

In other basketball news, when State met ABC44-39, the audience witnessed a game that was played with great intensity and skill. The match was a showcase of basketball at its best, with both teams displaying their talents on the court. Despite the intense competition, the game was played with great sportsmanship, and the audience was treated to a spectacular match. The win will no doubt boost State's morale and set them up for success in their future games.
