Only the 1960 EM brings you the fresh, free-flowing taste of Miracle Tip. The new EM unlocks the natural flavor of tobacco without reducing taste. Other filters are available, but none deliver the same fresh, free-flowing taste. The EM is the only filter that frees up flavor without changing taste.

Today's natural tobacco flavor has never been so fresh, free-flowing, and low in tar. The 1960 EM is the only filter that can deliver such a taste experience.
