State Freshmen Receive Awards

Class of '41 Shows Increase in State College Over Last Year

The college has shown a marked increase in state college over last year. The total number of students enrolled in the college has increased from 400 to 500 over the last year.

The Freshmen class of 1941, however, has shown a marked increase over the Freshmen class of 1940. According to the registrar, the Freshmen class of 1941 has increased by 50 students over the Freshmen class of 1940.

The Freshmen class of 1941 consists of 270 students, while the Freshmen class of 1940 consisted of 220 students. The increase in the Freshmen class of 1941 is due to the fact that many students who entered the college in the fall of 1940 have since transferred to other institutions.

The Freshmen class of 1941 includes students from all parts of the United States, as well as from several foreign countries. The students come from all walks of life, and their backgrounds are varied.

The Freshmen class of 1941 includes students who have transferred from other institutions, as well as students who have entered directly from high school.
