The winter sports season is about to begin at Albany State. On the varsity level, it appears promising for basketball and wrestling. However, there is a good possibility that the basketball team will suffer from a virus infection that caused last year's team to drop out of school midway through the season. The setback suffered by the team was the development of calcium deposits in the players under the skin. Although the treatment under the university medical center is not successful in curing the problem, it may help in the recovery time of the injured athletes. This year, the team hopes to have a full roster for the season.

The freshman wrestling squad is suffering from the same lack of wrestlers as last year. While they have a good nucleus of wrestlers in the lower weight classes, there is only one man over 152 pounds. As a result, they will be unable to compete in the higher weight classes.

The basketball team has been very successful in recent years. Last season, they finished near the top of their league. However, this season, they will be facing stiff competition from other teams. The team will have to work hard to maintain their position in the league.

UNIVERSITY STUDENTS SUPPORT Campus Chest Week at the University. The highlight of the week's activities, the Telethon, will be on the move throughout the week. The Telethon will be held from 7 p.m. to 1 p.m. on Monday, Tuesday, and Wednesday. The students will be selling raffle tickets for various prizes, including LP records and books. The proceeds will go to the Campus Chest, which supports various student organizations.

Off Center

By R. C. Robertson

Shenstone’s joy at getting the Capital. He probably was not totally sure about it, but he was definitely in a high spirits after seeing the results. He got off to a good start, as he was leading a group of friends along the promenade. The sun was shining, the air was fresh, and it felt like a perfect day for a walk.

The first stop was the city square, where he met up with some old friends. They were all happy to see him, and they chatted for a while before going to have dinner. Shenstone was in a good mood and enjoyed his meal, but then disaster struck.

Dr. Marten, who had been looking after the Capital, had made a mistake, and the city was in disarray. Shenstone was shocked and disappointed. He realized that he had overestimated his abilities.

However, he didn’t give up. Instead, he focused on the positive aspects of the situation. He was able to make some good connections and establish himself in the city. Shenstone was determined to make the best of the situation.

The next day, Shenstone got up early and went to the market to buy some fresh produce. He spent the morning shopping and then returned to his hotel to write some letters.

Shenstone was happy with his progress, and he was looking forward to the rest of the day. He planned to visit some of the other places in the city and get to know the people better.

Overall, Shenstone’s experience in the new city was successful. He made some new friends, learned a lot, and was able to establish himself. Shenstone was proud of his accomplishments, and he was looking forward to the future.

The Right Way

By Robert James

The Right Way is a book that teaches the reader about the principles of true religion and how to live a righteous life. The author, James, is a respected religious leader who has written many books on the subject.

The Right Way is divided into several sections, each of which covers a different aspect of true religion. The book begins with an introduction that explains the importance of living a righteous life and the benefits of doing so.

The first section of the book covers the basic principles of true religion, including the importance of faith, the nature of God, and the purpose of life. The reader is encouraged to study the scriptures and to develop a personal relationship with God.

The second section of the book focuses on living a righteous life. It covers topics such as the importance of morality, the role of prayer, and the importance of service to others. The reader is encouraged to put these principles into practice in their daily lives.

The third section of the book deals with specific issues, such as marriage and family, education, and finance. The reader is given practical advice on how to apply the principles of true religion to these areas.

The Right Way is written in a clear and concise style, and it is easy to read. It is a valuable resource for anyone who is seeking to understand the principles of true religion and to live a righteous life.

The Greek Echo

By John Doe

The Greek Echo is a publication that covers news and events on the Greek college campus. The publication is known for its in-depth and insightful reporting on campus life.

The Greek Echo covers a wide range of topics, including Greek life, academics, and campus events. It also includes features and interviews with students, faculty, and guest speakers.

The Greek Echo is published biweekly, and it is available online and in print. It is a popular publication among the Greek community on campus.

The Greek Echo is published by the Greek Echo Publishing Company. It is funded by advertising revenue and donations from the Greek community on campus.

The Greek Echo is a valuable resource for anyone who is interested in learning more about the Greek college campus and its culture.
AFRICAN AUTHORITY MEWEN
To Lecture Here Next Week
By Fred Walch

Francis McEwen, South African poet, will tell the University community what he considers to be the major contributions of his art. "Petition," a mysterious letter written by the hero of his novel, "Lost in the Funhouse," will be explained. He will discuss the work of Romare Bearden and Donald Cole.

English Dept. Presents
Nemerov Poetry Reading

Mr. Nemerov, a Russian poet, will conduct a poetry reading on November 29. He will also lecture in French on the works of George Bernard Shaw.

University Band Gives First Concert

The University Band will give its first concert of the season on November 23. The program will include works by Schubert, Brahms, and other composers.

Cockrell Concert Acclaimed Success

The Cockrell Concert, which featured the University Band, was a great success. The audience was captivated by the music, which included works by Schubert, Brahms, and others.

Saturday afternoon isn't nearly as tough as Saturday night.
**Hooper To Open Season December 4th At Oneonta**

Recently, the Pittsburg basketball schedule has been released, indicating the dates and locations of their upcoming games. The season kicks off with a home game against SUNYA on December 4th, followed by a trip to Oneonta on December 11th. Additional games are scheduled for later in the month, including a trip to Albany on December 18th and a home game against Stony Brook on December 25th. The full schedule can be found in the sports section of the local newspaper. For more information, please contact the Sports Information Department at (555) 123-4567.

**Mat Season To Feature Quadrangular Dec. 7**

The basketball team is preparing for the upcoming season, with a focus on improving their game and developing strong teamwork. Practices are held three times a week, and players are encouraged to attend to develop their skills. The team is looking forward to a successful season and hopes to bring home a championship trophy. For more information, please contact the basketball coach at (555) 123-4567.

**Give your contact lenses a bath tonight**

In order to keep your contact lenses clean and comfortable, it is important to wash them regularly. This includes soaking them in a solution overnight. Using a solution that is specifically designed for your lenses will help to clean and disinfect them. For more information, please contact your optometrist at (555) 123-4567.
