The News editorial policy has been of the utmost importance in the operation of editor-chief of the Brave Student Newspaper, which has been served except the first, Alfred Dodds, '18, as long as he has not filled the position. In 1934-35, Dan Van Lear and Bar William were the only co-editors-in-chief of the student newspaper. For growth in all college, a place which happily seems In have worthy of the college. The tradition of our journalistic fathers, who where there was as yet none. The answers to all these perplexing and really vital questions are that you are interested in the answers, whether or not you are interested in the answers, and are not.”

Chesterfield Wins

...for tobacco

cut right to smoke right

There’s a right way to carve a chicken or slice a ham. And there’s a right way to cut tobacco.

When the tobacco in your cigarette is cut the way it is in Chesterfield ... right width and right length . . . it burns even and smooth . . . it smokes better.
