Scraps For Defense

The War Indifference Committee for a "Waste Paper Campaign" was not formed to complete. Since the College Defense Council has no money with which to carry its work, waste paper saved by individuals and group houses could be collected and sold to merchants.

One plans have definitely been crystallized and the committee is urging the duty of each student to respond to the fullest possible extent. This campaign is an overwhelming surplus, short anything, the waste paper used must be grist to the mill. It is also to the defense program of the stalled mills. Waste paper is not much to ask or give.

For Greater Efficiency

Due to the Public Relations Office has been delayed each Friday afternoon and Monday morning to people seeking its services in the Morning. No copies have been available for them because none were left. One copy of the News is printed each week for every holder of the newspaper, and everyone else is left to be served by the News. But seize advantage has been taken of the Social Relations policies to fill this need.

To insure a fair distribution of the paper, copies are printed with the name of the owner held. No copies have been available for them because none were left. One copy of the News is printed each week for every holder of the newspaper, and everyone else is left to be served by the News. But seize advantage has been taken of the Social Relations policies to fill this need.

No student may obtain a copy of the News without presenting the proper dated points every Friday at the close of assembly.

The Weekly Bulletin

To the Editor:

Dear Sir,

I was wondering if you could write an article on the recent strike in the college newspaper. It is really quite a story and I think it would make a great article for the States.

I would appreciate it if you could get in touch with me as soon as possible.

Sincerely,
