The second inning will go down in the list of State's history as the result of a Mid-Player who plays with the Furcle and Gold stock

Making the opening game of the season a great exhibit of diamond play, with the Furcle and Gold stock

NOVICE WEEK END PLANNED IN COLLEGE CATALOGUE FOR YEAR 1924-1925

Credits Given By Grade Instead of Hours

According to the new catalogue, a system to be introduced whereby each grade receives a credit equivalent: A is equal to 3 credits for each hour; B is equal to 2 credits for each hour; C is equal to 1 credit for each hour.

The B.S. degree given in any course is to be divided into A, B, and C credits, giving a total of nine hours of work and receiving a three-year subject course and other B's in two three hour courses, or one A in three hour course and one C in three hour course. Thus:

D 2 hour course 0
D 0 hour course 0
D 0 hour course 0
A 2 hour course 0
B 3 hour course 0
C 3 hour course 0
D 0 hour course 0
C 0 hour course 0
C 0 hour course 0
C 2 hour course 0
D 0 hour course 0

In accordance with the plans for a Student Assembly, as made in Assembly, Friday, April 11, are:

President, Edmund Crane, Allen Hall
Vice-President, Carleton Morgan, Marjorie Bowers
Secretary, Myra Hurlburt, Ruth Pink, Georgianna Maan, Agnes Hal
Vice-President, Miss Dorothy Hoyt is

Here's a new resolution!

Make a new resolution to respect the books on their shelves, even if they do give us a lot of work. Maybe, if we treat them better they will be more kind and respect us.

The second house will be held in the final week of the semester and will be open to all students.

DINNER DANCE AT SYDDUM HALL MAY 3

Sylvania Hall is to give a dinner dance May 3. Miss Marion Record heads the social committee. Miss Elizabeth M. Conger of the music committee, and Miss Dorothy Hoyt is head of the program committee.
THE BASEBALL SCORE

The baseball season was begun at last week's Saturday game. The 1st year boys and 2nd year men tied in a six-to-six game and there will be a second game Tuesday. The 1st year boys will play with the 2nd year men and the 2nd year men will play with the 3rd year men. The 3rd year men will play with the 4th year men and the 4th year men will play with the 5th year men. The 1st year girls will play with the 2nd year women and the 2nd year women will play with the 3rd year women and the 3rd year women will play with the 4th year women.

LAWLESSNESS

The report given by Mr. Walker on the student condition at Washington University was quite surprising. It showed that there is a great deal of lawlessness among the students and that the situation is becoming worse every day. The report stated that there were several cases of drunkenness, fights, and other forms of lawlessness among the students.

DORMITORY PLANS ABOUT TO BE ACCEPTED

Architect's plans for the proposed dormitory have been prepared and will be accepted by the administration of the college. The dormitory will be located on the uptown campus and will accommodate 300 students. The dormitory will be a three-story building with 100 rooms on each floor. The rooms will be equipped with beds, desks, and chairs. The dormitory will also have common areas for study, recreation, and socializing.

SENTENCE OF FUTURE TEACHERS IN PENITENTIARY

The future teachers in the penitentiary were sentenced to two more months for good behavior. Special thanks are due to President Gilbert for the good behavior of the future teachers. This is the third time that the future teachers have been sentenced to good behavior.

BROADCAST

Mae Doris Ridgley '25 entertained the members of Beta Zeta at her home on Saturday evening May 16. She had a splendid program of music and dancing and the members of the sorority were all highly delighted. Mae Doris is a fine social worker and she always gives a splendid program.

REPORT OF CONFERENCE BY REPRESENTATIVE WALKER FROM STATE

First Conference of its Kind

To carry out the law enforcement program adopted at the Students' Conference at Washington last month, the Governor's conference committee has been formed and will start its activities in May. The committee consists of five named by the conference.

The conference made a thorough study of the lawlessness conditions that have come to light in the last few months. Because of this, special efforts are to be made in the future to bring about observance of the law enforcement program. The Students' Conference was the first of its kind ever called and it was there that the need was felt for more systematic and thorough enforcement of the law.

The movement started at the Washington conference is being fostered by the Committee of One Thousand, composed of national and state organizations interested in the problem of law enforcement. The Students' Conference was the first and is the only one of its kind ever called and it is there that the need was felt for more systematic and thorough enforcement of the law.

All who are anxious to hear about the conference and the enforcement program may come to the conference at the college campus on the evening of May 24.

SILVER BAY CLUB ENTER-TEAINED BY JEANNE PAGE

The last meeting of Silver Bay Club was held at the home of Professor and Mrs. Albert Page, Thursday, April 24. A most enjoyable program consisting of a radio program, music, and refreshments was enjoyed by all.

The purposes of Silver Bay Club are as follows:

1. To bring alive the interest kindled at Silver Bay.
2. To maintain the bonds of friendship among those who have been to Silver Bay.
3. To interest other College girls in going to Silver Bay.
4. To renew the thrill of a perfect week-end that comes from ten glorious days at Silver Bay on Lake George.

MISS JOHNSTON WELCOMED BACK BY GYM CLASSES

The shrill whistle of Miss Johnston again called freshman and sophomores to Gym. Did you notice how eager they all seemed? Her smile at mistakes told the girls that she was the same as before she left several months ago.
"HOPELESS" AND "HELP-LESS" BUT HEAPED FULL OF FUN

INTERFERTILITY DANCE
GLORIOUSLY CONCLUDES VACATION

At the regular meeting of the Annual Alumni Banquet, May 1st,偌 many of the members, who had been away, had returned and more than a hundred who were present contributed to the event, which was a most successful one. The menu consisted of an excellent meal, served in a pleasant atmosphere, with good music and dancing. It was a great success and everyone present enjoyed it.

THE ALUMNI

The Alumni were drawn back to State during vacation to catch up with all the events that have occurred and that are expected to happen so that they might not be so far behind in the knowledge of what is going on at the Alma Mater. In various sections of the campus, Alumni headquarters were set up for the vacation weekend.

STATE COLLEGE NEWS, MAY 2, 1924

STATE LOSES

(Continued from page 1)

of the nine innings when tallying the score. It is to be announced that State was on the short end of an 11 to 0 score.

Middlebury college of Vermont, with its adequate gymnastic facilities for the development of a handsomeness irrespective of the weather conditions, played a better game than Stale, but when the comparison is made between the amounts of practice each team had before the contest the superiority of the Purple and Gold stands forth.

"Well," Caton must see the lion's share of credit for saving Stale from an ignominious defeat, and to Caton also must go a large part of the blame for the second inning blow-up." Caton twirled a marvellous game after the second stanza. He was working all his powers of control over the leather-covered ball and he was being given almost uncanny support in the field. The one and only hit Caton received in the inning was a fly ball over the right fielder's head, but it was dropped by the beaner. The base hit made a run and State's nine will journey to Hamilton tomorrow for the annual contest with Colgate. Coach Wegner is expected to send a different line-up on the field than he did in last week's game. This will be done either to get a line on all the members of his squad, or Stale is unusually gifted this year in a staff of pitchers. Lebohers showed his wares in a "follow-up" game at Middlebury the day after the regular contest and he appears to be one of the best bets for the Colgate game, to start at least. State lost this second game with Middlebury by an 8 to 0 score, but the defeat will not go down on record because it was not scheduled.

BASEBALL STARTS

"Strike one! C'mon, Billie, one more home run for '24.' Yes! It is an inner class baseball game for girls. The baseball equipment has arrived and practice begins the first of this week under the direction of Margaret Benjamin, 20, G.A.A. captain. It is rather the correct thing around N. Y. S. C. T. to spend your spare moments on the baseball field. Captain Stahlius will also have to rub some of the kinks out of his arms, as well as a few are to enjoy an interesting season.

DELAY IN NEW BUILDING PLANS EXPLAINED BY STATE ARCHITECT

Although the Byrne appropriation bill was not passed by the late legislature, construction of Milne Science hall will not be held up, it is announced by President Brubacher. In compliance with the dictum of Governor Smith the foundation of the new building will be laid under construction in the fall and the next legislature will be called upon to make appropriation for the completion of the job.

The defeat of the Byrne bill came after it had been included in the favorable report of the Senate finance committee. Governor Smith instructed the committee not to report any appropriation bills that provided money for state structures which have not yet been begun although they were often initial funds a year ago.

Since the 1923 legislature had granted $75,000 for the new Milne hall project and since that sum has not yet been touched, the Byrne bill met the same fate as a batch of other money requests.

It is now the purpose of Dr. Brubacher and State Architect Sullivan Jones to start construction with the $75,000 and then in January ask the 1925 lawmakers for the rest of the $300,000 appropriation. Ground will be opened for the foundation work at the opening of the September term. The work will then continue until climatic conditions prevent furtherance of the job.

Dr. Brubacher explains that the reason he did not go ahead last year and start construction with the initial fund was because he had been advised by the state architect that it would not be a good financial plan. It was pointed out by Mr. Jones, referring to Dr. Brubacher, that the better plan would be to let the whole project at once.

MOVING-UP DAY

This year Moving-Up Day track events promise better form, more excellence, and greater variety for a preliminary meet will be held on May 17. Then class entries for the fifteen-yard dash, baseball and basketball throw, running high and broad jump will be run off. The winners of the prelims will contest in the finals on Moving-Up Day.

"Do you remember the 'Fat Man's Convicts' and the beans?" Already two classes are talking over Indian Ladder hikes of other springs. May 17 the day after Moving-Up Day will be set for the one this year. In that case, ask any G. A. member—and watch the bulletin for notice to sign up.
