Don't Mortgage the Future!

This has been a year of counting federal relief. First it was the imposition of National Defense taxes, then it was the Finance Board's efforts. Finally it was the setting of the Student Association's budget. New Farm and Arts Center Hall has been completed with the final closing of its financial expenses. It is a pleasure to have known the three years of planning for this relief to the student body. The credit is due to the original budget committee in charge of these projects, the student association, and the state supervisor of knowledge.

In the last nine months we have had the opportunity to see a debt of $300 or by charging ad­
