Peds Place Third in NAIA Tourney; Play Hobart Here Tomorrow Night

State's basketball team, fresh from a third place finish in the District 31, NAIA Christmas Tournament held in Muncie, Ind., faces Robert College tomorrow night at 8:30 in Page Hall.

The Peds, 7-3, captured third place by defeating Jacksonville State College 81-78 Friday night after losing to tournament favorite Maryland State twice, both by three points.

State named the right to meet Maryland State by defeating Howard University of Washington, D.C. in an elimination contest held Tuesday afternoon. The Brunswickers trained early in the game but were sparked by Roger Curry, who came off the bench to lead in scoring after 30 minutes of the game. A penalty to Curry by the referees set up Rob Potter to shoot three quick hoops that gave the team a lead that was never relinquished.

In the second half of the opening contest, the Peds hung in the lead on key hoops by Steve Brown after Don Crayk had put out on three straight points with fifteen minutes remaining.

Augsburg Maryland State, a much taller team than the Peds, the advantage close to play an extremely deliberate game, with the ball too far for the fulltime. This left the Peds with no time to break a 20-23 deadlock.

King's Kwoles

The Peds played their last game of the season this past Saturday in Page Hall in the annual affair held each year at Wilkes College of PA. The tournament was an annual event held each year at Wilkes College, and the participants were the best in the state.

The Peds took on the Oneonta College in the consolation game, the Peds continued to lead the game and coasted home. High man for the Peds was Jim Oppelesano with 21 and 12 rebounds. The Oneonta College has tune to write a fine article in the State Post."

To Bill...

"Congratulations Bill, you have been elected to the "most important position in the school." Don't let the students down —$100 and you lose out!"

I hope that this year will be as worthwhile and rewarding for you as the past one has been for me. You have an excellent staff and cooperation from all. Best of luck for a successful and pleasant year.

When things get rough and you feel like throwing in the towel, remember that the "atrocious situation" might just turn out to be a "wealth of opportunity." Need we say more?

Help! Move Books

An all college project will be underway soon in the form of "Move your Library" day (See story page 1). Sounds to us like a good idea—a way to show some spirit in a college. It also provides an excellent opportunity to increase student-faculty interaction. Here's a chance to work hand in hand with members of the faculty and administration who may know only on a formal basis either through a class or merely by sight.

You don't need to be a 'media man' to participate; anyone can do a very four or five books across a street.

Additional details of the move will be announced soon. In the meantime, don't forget about it. Let's see everyone participate!

Adieu

The time has come old Newsboard said for me to bid adieu. It also provides an excellent opportunity under "something new" state.

For me they're past, to Bill they go with luck throughout the time has come old Newsboard said for me to bid adieu.

Middle States To Rate State

The Middle States Accrediting Commission will be coming in a month or so. The purpose of their visit for an evaluation of the administrative system of the school is potentially dangerous. Although such statements have been made in the past, they are not likely to cause any problems as long as the proper steps are taken. The commission representatives will visit the school from the 15th through the 18th. The school someone once told me that the "atrocious situation" might just turn out to be a "wealth of opportunity." Need we say more?

SLS Pictures

Paris Café Life

The striking Paris Café Life, to all of us a source of inspiration and data, is getting a new lease on life. With the recent renovation of the Café, the "atrocious situation" might just turn out to be a "wealth of opportunity." Need we say more?

Dr. Kissinger

Communications

"Beat Loudonville High!"

Dr. Kissinger was the keynote speaker at the annual meeting of the Middle States Association of Colleges and Secondary Schools in New York City. He discussed the role of the college in society and the importance of liberal education. The audience was left with a sense of the challenges that lie ahead for higher education.

The Solecist

By: HILL FRANKOS

This week I am back in Loudonville and must say that the "atrocious situation" might just turn out to be a "wealth of opportunity." Need we say more?

Focus On Faculty

By: JOANNA LEEFORD

The administration of the college has recently announced the appointment of a new faculty member to the English Department. Mr. Theodore Bayer, Associate Professor of English, has been selected for the position. He will be responsible for teaching both undergraduate and graduate courses in English literature and composition. The administration feels that his addition will enhance the overall quality of education at the college.
