Y. W. C. A. BAZAAR FOUND MOST SUCCESSFUL
College Christmas Presents All Purchased
The Y. W. C. A. Christmas bazaar, December 7, was a great success, both financially and otherwise. For the President gives much credit to the High School General Chairman. The most successful table was the Alumni table, and the Association wishes to thank the interested alumni for making it so. The articles sold at the bazaar range from homemade candy, Japanese articles, plants, and cut flowers, hammeriches, and other fancy articles, things from the Co-op, as well as ice cream and soft drinks.

The supper in the cafeteria of the main building, which was the most exciting part of the event, was served and the alumni and friends had a fine time.

Famous Wrigley Building in Chicago Being Doubled in Size

The part of the Wrigley Building erected two years ago has filled such a want that the north section, nearly double the floor area of the south section, is being added. This north section, nearly completed, occupies the entire block, immediately across North Water Street, fronting on Michigan Avenue and reaching to the height of the main part of the first structure, with a connecting bridge. The space in the new section is already nearly all taken by high-class firms in advance of the completion of the building.

HONOR, HEALTH, JOY MARKED LAST ASSEMBLY

The honor system is still a matter of debate. In spite of the fact that Myskants and the Student Council have brought their knowledge to the front concerning the question at issue, repart was made in Assembly last Sunday morning that a satisfactory program could not be drawn up by them. They have asked the aid of five members, appointed from each class. Following this report the fear of small-pox, stirred by Dr. Cross- diake's plea for immediate vaccination, was driven away by merry class singing.

SENIORS SCORE EXCITING VICTORY
