The interdependence of the many departments in State College is a result of recognized needs. The Department of Mathematics, for instance, has an understanding of the many departments that it serves. It is a cooperative department that services the community. The mathematics department provides a service that cannot be neglected.

TOMORROW MAY BE TOO LATE

By Herb Linnell

There is a record of supreme effort for home defense, let us remember always that our best home defense is a victory on our war fronts. Victory programs. We have seen a nation-wide "Salvage Bonds" and recognize the great need for a victory philosophy, for in now took steps to prepare this country for war.

The name of this is how State's American and New York Bond. The President offered a bond for bonds and United States Bonds.

Nothing New Added

After the unscientific study came to the fore again the statement was made that "Nothing New Added" is the next oft-repeated phrase. This is a practical statement, for the only thing which is added is the President's name to the list of signatures. The only thing which is added is the President's name to the list of signatures.

What's What in Victory Activities — By P. A. Simmons

This is the first in a series of articles which will describe the neat activities of the college. All comments are based on the premise that Victory will be won. If so, there will be no more need for this type of press. If not, perhaps you will still enjoy the story of the people who are working day and night to win the War.

Caroline Loucks did a great job on the production end. She was the head of the Art Department and was in charge of all the costumes and sets. She was also in charge of the lighting and sound equipment. She worked with the drama students to put on several plays, including "The Man Who Came to Dinner" and "The Glass Menagerie." She also helped with the production of the movie "Life with Father." Caroline Loucks was a talented artist and was able to create beautiful sets and costumes.

Dennis O'Byrne was a member of the Victory Corps and was responsible for the management of the Victory Corps. He was in charge of organizing the Victory Corps and coordinating their activities. He was also responsible for recruiting new members and ensuring that they received proper training. Dennis O'Byrne was a dedicated and hard-working member of the Victory Corps.

The proceeds from the Soiree were going to be used to support the Red Cross. The Soiree was attended by many people, including students, faculty, and staff. It was a fun and exciting event that helped to raise money for a good cause.

The New York Daily News has also been instrumental in the War effort. They have been publishing articles about the War every day, and their reporting has been invaluable. The New York Daily News has been a leader in the fight against the War, and their stories have been the backbone of the American people's fight against the War.

The Kiessin Army has trapped the German 11th Army. This is a significant victory for the United States, and it shows that the War is not yet over. The Kiessin Army has been very successful in recent months, and this victory is a testament to their hard work and dedication.

It will be the duty of Dr. Scotland to continue the supervision of the educational process. He will be responsible for ensuring that the courses are of high quality and that the students are receiving a good education. Dr. Scotland is a respected scholar and will do an excellent job in this role.

Dr. Jones has recently completed a post-warden study at the University of the American University. This study was sponsored by the American University and was designed to investigate the effectiveness of post-warden training. Dr. Jones' study found that post-warden training is effective in improving the performance of wardens.
