Fresh Netmen Win

In the first outing of the season, the Albany State varsity baseball team met and defeated Quinipiac-Junior College 9-3 in a home contest last Saturday, in its first home game of the year. The Peds were led by starting pitcher Jim Maas, who hurled the first seven innings. Maas allowed but three runs on a triple single, allowing only one hit and striking out seven batters in the first three innings of the game.

The Dutch baseballers were slaughtered by a truly outstanding HVAC team, 11-1. The Husdon Valley team has boasted the No. 1 var­

ty in anticipating trouble from our fresh buds. We just don’t have the hitting and pitching (due partly to lack of effective pre-season practices) to cope with the offensive and defensive power of the two teams.

If this game can be of any value at all, it is to point out how rough a season the fresh do face. Curtain carriers like Gorrie Ruth­

Diamondmen Lose Pair

The Ped diamondmen seem to have run out of steam after an opening game win over Quinton, as they have dropped their last two to Sigma and Omicron.

Henry, a top hitter in the lineup, was one of the few to show any offense for the Ped diamondmen, as they were tied 2-2 in the bottom half of the inning.

Albany had its big inning in the sixth inning, scoring four runs on a double by Jim Gradonl, a sacrifice bunt by Bob Thompson, and a sacrifice fly by John Morris.

The Frosh now have a 1-1 slate, falling to Sigma and Omicron.
