The past week has been an exciting time for the Greek community. On Monday, a full-page spread in the State College News was dedicated to the Greek organizations, including a feature on the Alpha Phi Omega fraternity. The spread highlighted the organization's activities, leadership, and contributions to the community. The headlines included "Alphonse Omega: A Guide to the Fraternity Life" and "Greek Life: Beyond the Social Scene." The article also featured a candid photograph of the Alpha Phi Omega chapter with the caption "Brothers in Arms." The spread concluded with a call to action, encouraging readers to explore the opportunities offered by Greek life, "Join the Fraternity of Excellence."

**Camp Board Completes First Report**

The State College Board of Trustees has completed its first report for the year 1956-57. The report includes a description of the Board's work for the year, a review of the Board's activities, and a summary of the Board's future plans. The report is available for review at the University Post Office.

**Group Elects New Officer**

The State College Board of Trustees has elected a new officer to serve as the President of the Board. The new officer will be responsible for overseeing the activities of the Board and will work to ensure that the Board's goals are met.

Far East Condemns Israel; Proposes Sanction Action

By ROBERT TRITTIN

Israel Struggle for Life

During the past week, the Arab world was united in its condemnation of the United Nations for its failure to recommend to the General Assembly to take the steps necessary to prevent an attack by Israel on the Arab countries.

The Arab League announced that it had received a message from the General Assembly urging the Arab countries to strengthen their military defenses and to prepare for a possible attack by Israel.

The Arab leaders also condemned the United Nations for its failure to take any action against Israel for its aggression in the past.

The Arab countries have been reluctant to allow the United Nations to have any role in the conflict, fearing that it would lead to an invasion by Israel.

Bureau Offers Statistician Jobs

The United States Bureau of the Census announces that it is offering a position as a statistician in the field of housing and construction.

The position requires a master's degree in statistics or a related field, and experience in the field of housing and construction.

The salary for the position is $3,415 per year, and the position is available immediately.

Union Board Shows Slides

The Union Board of the State University of New York at Plattsburgh will be showing slides of the campus at a meeting of the Student Association.

The slides will be shown in the Student Union on Tuesday at 7:30 p.m.

State-Siena Basketball Game To Attract Huge Crowd; Sayersmen Seek Fourteenth Win At Oneonta Tonight

For the first time in ten years, State's vanity basketball squad will play Siena College tomorrow night at the Washington Avenue Armory. This contest is expected to draw more Albany area basketball enthusiasts than any other game played in the Tri-City area this year.

The preliminary game between State's JV and Siena JV will begin at 8 p.m., followed by the varsity basketball game with Siena College to begin at 9 p.m.

The series between the two teams began in 1930. In the 1930-31 season, Siena staggers this year. Both Peds and Siena are in statistics.

The United States Bureau of the Census announces that it is offering a position as a statistician in the field of housing and construction.

The position requires a master's degree in statistics or a related field, and experience in the field of housing and construction.

The salary for the position is $3,415 per year, and the position is available immediately.
