Seniors and graduate students will take part in the annual Homecoming program at State College. The program will feature a variety of activities, including a dance, a basketball game, and a football game.

The dance will be held on Saturday evening, with music provided by the school orchestra. The basketball game will take place on Sunday afternoon, and the football game will be held on Monday evening.

In addition to these events, there will be a variety of other activities, including a parade, a street fair, and a carnival. These events will all take place on the campus grounds.

The Homecoming program is a tradition at State College, and it is always a highlight of the academic year. The students are excited to participate in these events, and they look forward to them each year.

Senior Teachers Start Program

The seniors at State College are starting a new program, called the "Senior Teachers Program." This program is designed to help students prepare for their future careers.

The program will be run by the seniors, who will work with students in a variety of ways. They will help students with homework, assist with research projects, and provide guidance on careers and job opportunities.

The seniors are excited to be able to help their fellow students, and they look forward to the opportunity to work with them.
