Where Is It?

Albany, New York

Almost a year ago the legislature of New York approved funds for new dormitories at State College for Women. This was done partly to alleviate the overcrowding of dormitory space, but more especially to correct the long-standing lack of modern facilities in the residence halls. The state has taken the first step towards providing the dormitories which the students need and which they have come to expect in modern higher education. It is not easy for a college to expand. Expansion means a great deal of forethought and planning. The people of Albany need your experience, and to translate theory into action.

The YMCA and SMILES have combined their efforts in the YMCA and city hospitals. Here is a tremendous opportunity for the community to make a contribution. The boys and girls of the state are not alone in this problem, and probably have more rurally basts thereby making signed Mike (iijiuuiio '411) to aid and strengthen their lines ul religion or race, they are and sororities can do in this year <|Urremeuts for membership along and beyond that which is gathered ance and yes, love for all men experiences.
