NEW YORK STATE COLLEGE FOR TEACHERS

ALBANY, N. Y., FRIDAY, MARCH 11, 1927

NOTED MEN SPEAK HERE ON MARCH 26

Rolfe Brown Will Lead English Section Of Round Table Conference

RISLEY WILL LECTURE

George Eddy To Have Charge Of Basketball Team On Junior High School

Speakers of national and local fame will be present at the annual round table conference for high school teachers and executives, as be held here March 26. Rolfe Walter Brown, known as "The Leader of the Young English Man," and George Eddy, "The King of the Basketball Team," will both be present at the conference. Mr. Brown will discuss "The Profession of Writing," and will conduct the round table and speak at the general assembly on "The Creative Spirit and Youth." It is planned that Mr. Eddy will have a round table and speak at the general assembly on "The Immortal halftime of the basketball season in the gymnasium seen every evening at 8:15 o'clock. Although State has been in effect on the court for two weeks, it will not be up to its fullest strength in tomorrow's game.

Carry, right forward, and one of the best players on this year's team, is expected to attend.

The men's varsity basketball team will meet Buffalo State Teachers College in the closing game of the season on the court every tomorrow night at 8:15 o'clock. Although State has been in effect on the court for two weeks, it will not be up to its fullest strength in tomorrow's game.

VICTORIOUS VARSITY TO MEET BUFFALO
Basketball Record Has Improved Steadily For Last Three Seasons

TEAM GIVEN 2 DINNERs
Will Receive Letter S Awards And Varsity Sweats At Banquet Sunday

With a spectacular record of ten straight victories and no defeats the College varsity basketball team can enter the coming season with a sense of unparalleled success for the first time in its history. The team has won every home and out-of-town game that it has played this season. It is the only team in New York state composed of a single school and the only team in the state that will not play Buffalo State College.

The team has won nearly every game by a large margin due to the solid and consistent victories being those over Clark- son College in the opening game; Colgate, S. U. N. Y., Brown University, Creighton University, and Nevada College. Of these victories, none was more memorable than the game over the Creighton, a state college, the only team in the state that was defeated by the College basketball team. The game was played in New York City and was won by the College team, 10-0, demonstrating the College team's superior skill and ability. The team has continued to win throughout the season, reaching a total of ten straight victories and no defeats.

The team's success can be attributed to the talent and hard work of its players, who have shown exceptional skill and dedication. The players have worked tirelessly to improve their abilities, resulting in a high level of performance on the court. The team has also benefited from the support of the coaching staff, who have provided guidance and encouragement. The team's achievements have been recognized by the administration, which has awarded them two dinners and letter S awards. The team will celebrate their success at a banquet on Sunday, where they will receive varsity sweats.

The College's basketball team is a source of pride for the institution and its students. The team's success over the past season has set a high standard for future teams. The players' dedication and hard work have earned them the respect and admiration of their peers and the community. The team's success is a testament to their ability and determination, and it is anticipated that the team will continue to achieve great heights in the future.

STATE HAS AFFIRMATIVE
Announce Soon Time And Place Of Out-Of-Town Contests On Home Court

April 22 has been accepted by Union College as the date for the State College's varsity basketball team to play against the Union College team. The game will be held at the Union College court, and the time and place of the contest will be announced soon. The College team has won all of its home contests, and it is expected that they will continue to win against the Union College team.

The College team has been performing exceptionally well throughout the season, with a total of ten straight victories and no defeats. The team's success is a testament to their ability and dedication. The players have shown exceptional skill and hard work, resulting in a high level of performance on the court. The coaching staff has also played a significant role in the team's success, providing guidance and encouragement. The team's achievements have been recognized by the administration, which has awarded them two dinners and letter S awards. The team will celebrate their success at a banquet on Sunday, where they will receive varsity sweats.

The College's basketball team is a source of pride for the institution and its students. The team's success over the past season has set a high standard for future teams. The players' dedication and hard work have earned them the respect and admiration of their peers and the community. The team's success is a testament to their ability and determination, and it is anticipated that the team will continue to achieve great heights in the future.

WATERVIET TRIMS '30 IN GAME FRIDAY NIGHT

The freshmen's basketball team went to Water violin High school, 38 to 22, an Watervliet Friday evening. The College boys fought hard to gain a vic­ tory over their opponents, but could not break through the Watervliet wall. The质men were the victors. The freshmen able to get within less than twenty feet of the basket were kept away. The Watervliet freshmen were behind, 9 to 12. The freshmen won two out of the five games played this season. Several of these games will be played Saturday, March 10, they will play a team from Water violin.

PAPER FROM TEHERAN IS RECEIVED BY NEWS

"Persian Youth," a newspaper pub­ lished every two weeks by students of the American College of Teheran, Persia, has been received as an exchange by the News. It is an exhibition in the National office.

The paper is partly in Persian and partly in English. The headlines are conservatıve. "The makeup is quite good," said Dean Van Kleeck, 27, editor-in-chief of the News.

Abraham in the sale of the exchange, and an American instructor in the college is the faculty advisor.
