Minerva Jousts With Indian; Leads Attack On Chief HR

One never has before realized that Minerva is such a lousy Indian that the president's costume was actually more intimidating than the Chief of HR's. This was the case last Friday afternoon when Minerva entered the lists and got the better of him. The Indian chief was forced to yield in the 1st bout, and in the 2nd, Minerva knocked him out of the ring with a right-handed cross to the head. The Chief of HR did not even know how to react; he was so stunned and dazed that he had to be helped from the ring by his friends. The crowd was absolutely delighted with Minerva's performance, and gave loud cheers and applause. It was a truly remarkable victory for Minerva, who had been under appreciable pressure to win.

Shakedown Shot Down

A last-minute error on the part of the opposition caused the shakedown to be canceled. The opposition had planned to attack the shakedown in the final bout, but Minerva, who had been victorious in all previous matches, was not to be denied. The shakedown was denied, and Minerva emerged victorious once again.

The purpose of Student Government is to serve the student body. I believe that student government should be a vehicle for student expression, providing a means for the students to have their voices heard in the operation of the college. It is important for us to work towards a more effective and representative student body that truly represents the needs and interests of the students.
Gripe From The News...

We have a lot of gripes from student association members about the news we print, the way it's printed, and the omission we make. Well, we have a gripe to make. We can't print the news if we aren't excited and we're a little tired of running around contacting people at ten o'clock Wednesday night when they can appear in The Friday issue.

We have a deadline to meet, and having a hundred or so blank lines an hour before copy is sent out is not the most encouraging sight to see before a newspaper. It is the responsibility of organizations to submit their news and get it in on time. In the future if news is not submitted it will not go in. The News always comes out on Friday, but there's nothing that says it can't have blanks.

We don't mind people going gung-ho on their elections. We're running for offices, aren't we? So they're running and we're running to see. It's only fair. We're realizing they were running until declinations were closed, and nominating the best leaders for school and class offices just makes a worthwhile trick.

It causes inconvenience and a lot of extra work on the part of the printers. If it ever happens again, we guarantee trouble.

What, Me Vote?

The campaign rally lacked any dominant issue for discussion Wednesday night. Perhaps the minor topics that were discussed will become important in the coming year. For this reason we ask the members of Student Association, especially the freshmen who could not stay for all the speeches because of buses to and from the campaign platforms printed in the paper. Consider the past performances of the candidates this year, you are standing on future issues, as well as their personal character.

We wish we could say that you have the cream of the crop participating in a personal manner and the simply fact that some of the nominations were made for the best reasons. But exactly what? Some of the people that were nominated in this spirit are past the point of failure. After all, what have they got to lose? So they're running for offices, re-elections, and they're not sure they're going to win. In most cases, qualifications several people of the names of everyone they were running with to get at least three hundred votes.

Voting is important, good and gentle students, but nominating the best leaders for school and class offices is important in good government. This year the nominations for offices, in particular, Student Association, were a farce.

It's all over but the naming of the winners has not been seen, so complaints from here in are about the leaders nominated for office. And this weekend at the polls you'll elect them. Therefore, your attention is invited to the point of voting for elect officials of the class, everyone.

METHODOLOGY OF THE WEEK

To the Editor,

I believe that the way the student body has been assigned to the candidates should be changed. The best student leaders are not always the best candidates, and I believe that this year's candidates are not the best students. I think it is unfair to all students to have the election decided by the candidates themselves. I think it is unfair to all students to have the election decided by the candidates themselves. CANDIDATES FOR MYSKANIA

Youngs...

(Continued from Page 1, Column 2)

Andy Peters '58, Vice-President of the College Men, said his qualifications as candidate for SA President would be his desire to serve the student body.

An important function of the SA is to represent the student body to the administration. The students are not always able to express their ideas and opinions to the faculty and administration. Youngs felt that he would be able to act as a mouthpiece for the student body, both on campus and off. He also expressed his desire to work for the betterment of the college community.

Do you have any hobbies or interests outside of school? I have a great interest in music, especially piano playing. I also enjoy playing tennis and hiking.

Youngs is a member of the SA and has been involved in various campus activities. He is a member of the SA Cabinet and has served as a Senator for two years. He has also been involved in the SA's community service projects.

There are a number of contradictions in the history of the Confederacy. The most obvious is the fact that the Confederacy was a slaveholding society, yet it was founded by a man who was a abolitionist and a supporter of emancipation. The Confederacy was also a nation of farmers, yet it was a nation that was dependent on the industrial South.

Nevertheless, the Confederacy was a nation that was able to create a new government, and it was able to create a new society. The Confederacy was a nation that was able to create a new economy, and it was able to create a new culture. The Confederacy was a nation that was able to create a new society, and it was able to create a new culture.

On Friday night the Saumersmen will attempt to wipe out their season’s worries when they play Osceola For Fuller New Britain on the opponent’s home court. In Fuller New Britain, the Saumersmen have had a rough time of it and their 48-75 victory of last year came only after the game was carried into overtime. The game will be held in Page Gym on March 15. Chickanaw is a six-year veteran of the Fuller New Britain squad. This is his first season as the Fuller New Britain mentor of the game at Friday night.

The AMIA bowling standings as of this past weekend show that the Saumersmen have had their difficulties in capturing a league edge. They have had a slow start in the Ped's surge this season and one of the Saumersmen’s main objectives is to become the Ped's winners. The Ped's wins are undoubtedly due to the fine work of their individual players who have been taking their share of the spotlight. The Ped's has been built around the fine performances of some true league kings. The Ped's wins have been attributed to the strong New Paltz five on the opposition's home court. In the Ped's victory over Brooklyn Poly, the Ped's surged ahead by 30 points and the Saumersmen were unable to recover.

First Annual Inauguration Day Ceremonies Feature Announcement Of Mykianski, SA, Class Officers

Chairman Announces Procedure, Seating Arrangements For Classes

Tommye Armstrong, 2 p.m. Richard Kendall '59, Student President of Student Association, will inaugurate his successor to that office, Anna Ring '60, Chairman of the Special Days Committee, at a 1 p.m., January 21, 1963. The exact date of the ceremony will be held in February will take place in Page Hall.

Seating Arrangements

According to Miss King the present Senior class will be seated in the center of the auditorium. The students will be placed in the left section and the freshmen in the right section of the hall.

Procedure

Inauguration Day will begin with the singing of the Alma Mater by the student body directed by Robert Barden '59, Student Association Songleader.

Kendall will then take over the proceedings with an address to be followed by the President of the Student Senate. Kendall will then pass on to the Student Senate to receive a letter of congratulations from the Student Association. The present Mykianski members will be seated in the back of the auditorium and will move forward to tap their successors. Marilyn Lexim '59, Chairman of Mykianski, will announce each new member, and they will be led to the stage to receive their keys and take their places.

The next step will come when Kendall will hand the students elected from each class. As their names are announced, Seniors will go to the stage where they will be seated for the remainder of the ceremony.

A Farewell Address from Kendall to the Student Association will be held in the auditorium. Kendall will then reveal who the next President will be.

Who One?
