Annex Committee Recommends
Simplifying of Cafeteria Menus

An Invention in the past week was the idea of the pitifully small bank balances that would result in the addition of a new feature to the student union. This invention, called the "Cafeteria Plan," is expected to be a source of much debate among students and faculty. The plan calls for the establishment of a special account for each student, into which a certain amount of money will be deposited at the beginning of each semester. This money can then be drawn upon as needed, and any remaining balance at the end of the semester will be returned to the student. The idea is being considered by the administration as a way to help students keep track of their finances and make better use of their resources. 

 appetizers of potatoes, prepared with a special recipe and served with a variety of toppings. 

Campus Chest Drive
Reaches $300 Mark

As a response to the call for the Campus Chest Drive, the students have been working hard to raise money for the cause. The drive, which aims to support various charities and organizations, has already reached a total of $300, with expectations of reaching even higher totals. The students have been making use of various methods to collect donations, including selling items and hosting events. The drive continues to be a strong symbol of the community's dedication to supporting those in need. 

Rivalry Debate to Be Featured in Assembly

In an effort to bring more attention to the importance of education, a debate between two prominent figures in the world of politics is being held as part of the assembly program. The debate will cover a range of topics, including education, social issues, and international relations. The audience is encouraged to come and listen to the two speakers, one representing the conservative viewpoint and the other advocating for liberal ideas. The debate is expected to be a lively and informative event, and is sure to spark discussion and debate among the attendees.

Drinking of Milk
To Be Encouraged

By Lower Prices

With the recent trend of increasing prices, the administration has taken steps to encourage the drinking of milk, offering lower prices as a way to incentivize students to purchase this nutritious beverage. The plan includes reducing the price of milk to $1.00 per quart, with the hope that this will lead to increased consumption and improved health outcomes. The administration is also experimenting with different methods of marketing and advertising to promote the message of the importance of drinking milk.

Annex Committee Recommends
Simplifying of Cafeteria Menus

The Annex Committee has made recommendations for simplifying the menus in the cafeteria, with the goal of making it easier for students to navigate and choose their meals. The recommendations include the creation of a central menu that lists all available options and the implementation of a system for regular rotation of menu items. The committee also suggests the establishment of a "meal plan" system, which would allow students to prepay for a certain number of meals at a discounted rate. The goal of these changes is to improve the overall dining experience and make it more accessible to all students.
Alfred Edward Dedicke

This work the News Board learned that Editor-in-Chief Alfred E. Dedicke, chief of the organization of the News, passed away on October 4 last, at the age of 36, in a hospital in Camp Berkeley, Texas. It is the belief of the editors that the passing of Mr. Dedicke means the loss of a leader of men. There was as a leader of troops that he exhausted his

Basketball Squad Dwindling Rapidly

As Hopefuls Drop

With five weeks of basketball left in the regular season, there is only one third of the team left. Of the eight who started the season, only four players are expected to take part in the much anticipated tourney. The team coach, Captain John F. Bateman, and his assistant, Captain John H. Uhl, are trying to keep the team together through careful coaching and by scheduling early competitions.

MAA Probes Player Insurance

MAA medical is now investigating the question of whether or not a player insurance policy is advisable. Captain John F. Bateman, the coach of the team, has been notified by the MAA that there is a possibility of a policy being issued to the team. The investigation is still in progress, and no decision will be made until the investigation is completed.

UPCOMING EVENTS

Tickets Sell at $1.50

Saturday, January 18, 1942

The following events have been scheduled for the coming weeks: (1) A double bidding contest between the Loyalty and Loyalty Pledge classes. The Loyalty class will present some operations and the Loyalty Pledge class will present some events. (2) A double bidding contest between the Loyalty and Loyalty Pledge classes.
