Vanderpoel, Densmore

As the final note in the series of open forums held by the Student Council, Professor Lynn Sauer, Chairman of the Council, called upon the Forum on 'What is the Student Council?' for the last installment. 

The Session was attended by students and faculty members who had an interest in the operation of the Student Council. The main purpose was to give the students an opportunity to express their views and also to inform the faculty about the student's perception of the Council.

The discussion was divided into two parts. The first part was devoted to the student's perception of the Council, and the second part was for faculty members to give their views.

In the student's perception, the Council was seen as a body that represented the students and that was responsible for making decisions that affected them. However, there was a feeling that the Council was not always responsive to student's needs and that it did not always listen to student's voices.

The faculty members, on the other hand, saw the Council as a body that was elected by the students and that was responsible for representing the students. They felt that the Council was not always able to make decisions that were in the best interest of the students.

The discussion was lively and intense, with both sides presenting their cases and offering solutions. It was clear that there was a need for better communication and understanding between the student and faculty members.

At the end of the discussion, Professor Sauer encouraged the students to continue to express their views and to be active in the Council. He also thanked the faculty members for their participation and for their input.

The meeting concluded with an announcement that the next open forum would be held in the near future.
There Goes the Whistle

State’s major sport, basketball, assumes the number one position in college life for the next three months. Will the high-drama, high-drama, high-double-globe over the R.P.I. court to the tune of the referee’s whistle. and the audience, which would make for the many of a season, should bring delight to the followers of the Teachers.

Let’s start the season off with the whole-school behind our most potent representatives in the intercollegiate world. The assembly cheering this morning should be no less than a few divestments some of the most common villains it might witness a whole line of bases on the route to Troy.

Members of the varsity have been undergoing dress rehearsal for a month. Their efforts should be backed up by attendance during the season. On the eve of the first battle—the last kick, huck...

Freshman Quintet Defeats Mine Five

Initial Victory Lends Confidence for Tough Schedule Ahead

A recorded Page 3 went out the window and on page 4 a quick start against old friend Friday. The victory was not a new dual but the old dual which beat Mill High last year. A fighting finish found it 11-9 on the long, end of a 26-12 score.

The game was fairly contested throughout and saw at any point one side affair, both Morning’s and Mine Five, giving a real good form, but neither showed a technique which could be classified as unique. Neither showed anything like the Mine Five, their problem, a little bit shaky about gaining situated, and uncertain in their tactics.

Flanagan was high man for the Mine Five with a total of two points, but Walko is the better scrapper. He handled the situation and the best the Mine Five could do was keep him from scoring. Walko played a real good game and can be proud of the way he played.

With one game under their belt the coach thinks enough is a good point for the Mine Five and a tough schedule. With the pickup on the bat, the Mine Five will be better prepared and can be counted on to hold their own in future games.

The remaining freshmen schedule for the season is:

Dec. 5, R.I.P.I. Freshmen at Troy.
Dec. 13, Mine Five.
Dec. 22, Mines.
Jan. 9, Holy at Miners Island.
Jan. 16, Mine Five at Miners Island.
Feb. 6, Troy business college.
Feb. 13, Mine Five at Mines.
Feb. 15, Holy at Miners Island.
Feb. 15, Mine Five at Miners Island.
Feb. 22, Mine Five at Mines.
Feb. 25, Mines.
March 14, Mines.

The R.P.I.-State feud began twenty-five long years ago at Troy, when the tenth of December, 1916, the basketball squad internals the series by virtue of a decisive victory.

It wasn’t until 1926, by the way of the next contest between the two rivals, that R.P.I. had a chance to retrieve itself and retrieve itself it did, on the street, last but not least year, R.P.I. was losing in the series by a score of 32-25. Then thru a series of two games the State University was a defeated but successful body and won one more. A fast start led to R.P.I. with a 15-1 before the beginning of the second quarter. Flanagan dropped in another counter from the penalty line and the score was 18-1.

The game was the second of the series and the third in the state’s basketball tourney, with the final rating of eighteen. The junior, modern M.7, with two points, led the finals of its’ season.

Intramural Athletics Include
Diversified Winter Sports

The Men's Athletic association plans an ambitious and far-reaching program of intramural sports for the coming winter season. As many activities as the facilities and participants will permit will be scheduled for the cold-weather months.

Intramural basketball is already under way, rounds of games having been played on Wednesday and Thursday nights of this week. The basketball season is expected to be spirited, particularly for the hoop. Rivalry in this new sport promises to be spirited.

A little later in the season, the football season will begin. The intramural football program is expected to be well supported.

Graduates Organize

The graduate students of the college organized themselves and elected officers at a meeting conducted Thursday, November 10. The officers are: president, Evan Frederick, '35; vice-president, Kalamazoo; treasurer, McNamara.

Freshmen To Meet Lansingburg
In Wednesday's Contests

The night of Wednesday, December 1, will see the State varsity in action for the second time this season. The Teachers' quintet will play hosts to Western Ontario on the Page Hall court in the first home game of the year. A preliminary contest between the State freshman team and Lansingburg high school will get under way at 7:00 p.m., with the main game commencing about 9:00 o'clock.

Western Ontario is in a section of Canada where basketball is stressed and where the rivalry of the playing is equal to or superior to American ball playing. Eligibility rules do not cut into the squad of the Canadian institution and they usually put a big, fast, team on the court. Then, too, a school that will send a team such a distance to play a game must be justly proud of the team.

The State starting line-up for this second encounter depends entirely upon the playing of the squad members in the U.I.C. tournament. According to Coach Hatfield.
