Soccer Team Edges Oneonta
As Tsododo, Guddat Pace Attack

Led by Maurice Tsododo's two goals, and Udo Guddat's nail-biting tally late in the first period, Coach Joe Garcia's first-up Peds scored a 3-1 triumph over the Blue Devils. Last week the Blue Devils were standouts for State's defense, as Rawe and home and single again on the line. Rawe's three offensive skills have been up with 22 saves, many at crucial moments late in the game.

Fresh Booters Tie Hudson Valley;
LaReau, Glaser Star in Comeback

by Mike Forrest

Tony Glaser's goal with 6:36 gone in the first overtime period enabled State to tie Hudson Valley, 2-2, Wednesday, in an away game.

Glaser had an extremely difficult time in defense. He always seemed to be no less than two steps behind.

LaReau was outstanding in the second overtime period. By my count, he was in the box with 24 saves.

Soccer Coach Joe Garcia has decided that the transitions of modern dance steps in the caucoausasian drill that the soccer booster club is planning to reorganize will improve his team's coordination and agility. Since coordination and agility are very important aspects of soccer, these drills will probably prove worthwhile.

However, it is not certain that modern dancing is not the answer to the soccer team's problems. Two weeks ago in the final game against Brooklyn College, the Peds' greatest weakness was an inability to sustain an off defense. Steady pressure and the absorbing of teamwork were the main reasons for the lost defense which has been reorganized.

In the Brooklyn College game, the opposition was able to dominate control of the ball through skillful positioning. The Blue Devils' goal was scored on a crossfield pass when the State boosters were lacking in coordination and balance. The Mild Ones on Wild Twos

"First year, it's all right, I'm glad, you know. Third year is much more of a challenge in terms of the amount of work that you have to do..."

I guess we could have enjoyed ourselves a little bit more if it wasn't such a "bull."

To Dampen Homecoming Spirit

Playing before a homecoming crowd of approximately 2,000 enthusiastic fans, State's determined Potsdam defense and well-played 1-0 contest at Potsdam College last Saturday. State's defense was outstanding as host of the action was forced into Potsdam's half of the field. However, Potsdam's offense couldn't overcome State's swift and rugged defense, as the winner's goal, Barry Mickelson, played a sensational goal to the Potsdam backfield.

The game was played under an overcast sky and winds with a strong wind speed to the field and the latter conditions even more modifying.

For most of the first half, the winner was favored as such. Potsdam needed to keep up with the pace, but key players on the State line were also able to move the ball upfield.

The second half saw the Potsdam defense at its best to keep the State attack at bay. However, Potsdam's defense never really wavered as the team played a strong position throughout the game. The defense, led by Barry Mickelson, was highly praised for their performance.

HALFBACK FRED RAWE dribbled around Potsdam forward at the Meet for a "fine, determined" effort that was highly praised as was Ken Haven, Robinson First.
