Chesterfield... a taste that smokers like

Chesterfield

Anchor'd 17 miles off shore, the Nantucket Lightship makes traffic on the Atlantic Coast. Mail and supplies come aboard once a week when the most welcome arrivals is the supply of Chesterfields.

As Welcome as mail from home...

Chesterfields give more pleasure to smokers wherever they are... On land or sea or in the air, Chesterfields satisfy millions all over the world. They're refreshingly milder... They're different and better.

Men Will Receive Fraternity Bids

With help from our own people . . .

Grimes, president of W. A. A. this year, has announced that men will receive fraternity bids.

Statement

We have been in the past campaign, as the result of the efforts of the women's group, we believe that the situation is better than it ever was before. We have started to build up the organization and now we are going to continue it. The women's group has been working hard and will continue to do so. We believe that the situation is better than it ever was before.

Support Red Cross

Sponsored by Rhythm Club, the annual Red Cross drive will be under way in State's students for the job of teaching. Can you see the Red Cross in the headlines innumerable times, working in regions from which we have seen the Red Cross in the headlines, innumerable times, working in regions from which we have seen the Red Cross in the headlines? As soon as dismally and made the character she portrayed simply for the sake of self-promotion, or to develop her own personal prestige until it may now be said to be one of the most valuable acts.

On Cross Country

With the basketball season almost upon us, it seems like time to think about cross country. From a minor national sport against the very first year, State Harriers are becoming to be said to be one of State's major sports.

The record of last year in this past season's meets is the first step toward establishing the stability of the claim. This year the school is getting recognition for its outstanding performances. The State Harriers are becoming well known for their ability to perform. The State Harriers have been accepted to be one of State's major sports.
