The three appointments are made
for this month. The committee
will have time to work out the
details of the pageant, the stew-
dard and to continue with the
preparations for the banquet.

WAA will hold its winter ban-
quet on Saturday, February 11.

Mrs. King, President of WAA,
has announced that the program
for Saturday night will include
a movie about highway condi-
tions.

It is expected that the guests
will be entertained by Mr. and
Mrs. King.

The program will be held in
the gymnasium at 8 o'clock.

The movie will be shown on
a screen, and the audience
will be invited to participate in
the discussion after the show.

The movie is sponsored by the
local highway association, and
the proceeds will be used for
the benefit of the WAA.

WAA has made arrangements
for the transportation of all
members of the group to the
venue.

After the movie, there will be
a social hour where guests can
enjoy refreshments provided
by the banquet committee.

The evening will conclude
with the crowning of the new

The STATUS OF THE NBWH assumes no responsibility upon the publication of any editorial material appearing in this journal.

The same publication reports that in a recent survey of high school seniors only a few indicated that they were considering a career in teaching. Another method of giving active support to the profession is attendance at Assembly sessions. It seems fair to conclude from these few facts that the teachers enrolled at this institution are not wide awake.

Winter Carnival

7:30 P.M.—Math Club meeting; Marilyn Burum will be in Lounge to conduct poll on best-liked Ike West. The theme of the conference is "Pros and Cons of the Physical Education program for women." The majority of the students who attended the conference agreed that the Physical Education program is a monument to Syracuse athletics due to the fact that it has been held for many years.

The sports scheduled on the winter carnival program are: Fencing — Eggert, '48, captain—210 Central Avenue Albany, N. Y.; Hockey — Beta Phi Alpha, 210 Central Avenue Albany, N. Y.; Basketball — Pi Kappa Alpha, 210 Central Avenue Albany, N. Y.; Football — Philone, 210 Central Avenue Albany, N. Y.; Volleyball — Sigma Alpha Epsilon, 210 Central Avenue Albany, N. Y.

These are but a few of the many interesting activities going on in the science department of our institution.

The "Snow Ball" will begin at 9:30 P.M. at the Student Union. WAA's First Winter Carnival is a "weekend wonderland." There will be a prize for both the winners of the "best-dressed" teacher contest and the "best-dressed" student contest.
