— the mild ripe tobacco we buy for Chesterfield means milder tobacco.

— the way they are made means Chesterfields burn right and smoke cool.

— it means that down where they grow tobacco folk know that mild ripe tobacco are bought for Chesterfield.

And because Chesterfield are made of the right things of course, it is a milder cigarette, a cigarette that mokes better. There is no substitute for mild, ripe tobacco.

Check your nervous habits for signs of jangled nerves

Are you worried? Do you sometimes have trouble in getting to sleep? Have you any of those little nervous habits such as twisting your handkerchief—frowning—playing with your ring?

These may all be signs of jangled nerves. And jangled nerves can frequently make you look years older than you are.

So now is the time to check up. Get enough sleep—fresh air—recreation. And watch your smoking... Remember, if you smoke Camels—you can smoke as much as you like—for Camel's costlier tobaccos never jangle your nerves.

COSTLIER TOBACCOS
Camels are made from finer, MORE EXPENSIVE TOBACCOS than any other popular brand of cigarettes!

This is the first time in the history of the College that a number of students were named at the annual conference. The list was reviewed by Dr. A. R. Bertram, president of the College, and the Y.W.C.A. cabinet members selected Friday morning.

The seniors of the 1934 Signum Laudis are as follows: (a) Elizabeth Hartline, Ruth Kinselstein, Krida Lynn; (b) Elsie Wilson; (c) Mary Godfrey, Dorothy Grauer, Theresa Shapiro, Julia Shields, Eleanor Waterman; (d) Sarah Logan, Dorothy Maloney, Dorothy Wells. The seniors named were individuals of the senior class who have shown outstanding achievements in their courses.
