TEAM TO DEBATE TWO ENGLISHMEN

N.S.P.A. Brings Foreign Debaters to State College in Tour of America

A challenge to debate two Englishmen, representing the proposed British Tour of America, was made to the debate council. Prof. V. K. Kramon, fill-president of the council announced today that if the Englishmen, who will tour America under the auspices of the N. S. P. A., can be helped in the development of their plans which have been received, the council will be ready to conduct, during the first semester, probably in November, a debate between the Englishmen and local debaters from State College, and John Carroll University.

The debate, which will be the third presented, will be the international debate in which a man's name representing State college has participated. Previous contests have been with universities of New Zealand and with representatives of the Netherlands.

WISCONSIN PLANS TO DEVELOP NEW "UNIVERSITY CITY"

Marquette, Wis., Oct. 31. Plans for the creation of a "university city" have been announced by the Marquette University of Wisconsin here. As a result of several interviews with college and university officials for several thousand dollars, plans have been made for the development of a "university city," with several acres of land in a rural area, with a daily average rate of 1,800 on the campus.

The plans were made for the development of the city with the idea that the university would offer three and one-half years of the day, as opposed to the present system of attendance.

Eight Women To Play in Tennis Tournament

Only eight women have signed their names to participate in the annual tennis tournament for women sponsored by the University of Illinois. The tournament will be held in the State Capital on Nov. 3rd.

The eight women who have signed up will be played in the first round and will play again in the second round. They have been selected from the eight best women in the country.
