Students to Sue for Dutch Fire Losses

by Brian Levy

The students at SUNY Albany plan to sue the University for damages incurred from a fire that destroyed their dormitory, according to a source familiar with the situation. The fire, which occurred in the early hours of Saturday, resulted in the loss of dozens of students' belongings.

The students claim that the University was negligent in its handling of the fire. They allege that the University failed to take proper precautions to prevent the fire, and that it did not respond promptly enough to extinguish the flames.

The University has denied the students' allegations, saying that it took all necessary measures to prevent the fire and that it responded quickly to the emergency.

The students have already retained the services of a law firm and are planning to file a lawsuit against the University. The case is expected to be heard in court within the next few months.

The gathering included speeches by speakers from both the Irish community and the local political leaders, as well as a moment of silence to honor the memory of the Irish prisoners.

The event was well attended, with many people coming out to show their support for the Irish people and their struggle for freedom.

Experience Factor As Danes Try To Adjust

**Expected Strengths:**

- Their three-point shooting percentage is also a concern, as they rank 6th in the SUNYAC with a 32.9% percentage.

**Potsdam Still Team To Beat**

**Happy Thanksgiving**

Having survived the first snow, we welcome the arrival of Thanksgiving. The long awaited four-day weekend is upon us — and not a moment too soon.

By Wednesday, most of us are home. The anticipation of turkey, cranberry sauce, family, friends, and the warm feeling of overeating will peak. We must enjoy it while we can. When the return, many of us will be forced to do a semester's worth of work in just three weeks.

While you're home, relax and forget about SUNYA. Forget about the Pine Hills Disaster, and its hangover which has lasted over a year. Forget the fact that we were afraid to walk the streets or remain home alone. Even women on campus must fear for their safety.

Forget that students in danger of losing their representation on the University Senate. Forget the fact we may be denied our annual sports appearance. Forget the fact we may be expelled and even disenfranchised.

Forget about the Companions who have gone on strike. Forget about the 18 November issue of the Collegian. Forget about the volunteer march on Colonial Island. It was all a dream.

---

**In Memoriam**

Early morning of a fellow SUNYA student's life came to an untimely end. Having killed himself, his friends and campus community are saddened. A shift to a more moderate-conservative government will be required to maintain the values and traditions of our nation.

Albany Wins Over Top-Ranked Upsala

by Bob Bellafonte

BROCKPORT — They beat a team to win the Brockport Tournament that they were not supposed to be able to beat.

Upsala College, ranked second in the east in Division III by pre-season coaches poll, is quick, and likes to run. The Danes are not quick, and would rather slow the pace down. But it was Ray Cesare's drive to the basket after a steal of over one minute giving Albany a four-point lead with 46 seconds to go that propelled the Danes to a 61-55 victory over the Vikings in the championship game Saturday night. Albany got there by virtue of their 51-50 win over Rochester Institute of Technology the night before.

"Tonight, we're just on cloud nine," said an elated Albany substitute of Technology before.

"We used it as a stall," said Dieckelman of the motion offense.

"It's obvious there was a difference when he was in there," said a pleased Saunders.

"Once we got to motion, I thought we would take advantage," said Saunders.

"It gave added respect to our outside shooters with him in the game," said Cesare. (Photo: Dave Machon)

An Injured Ray Cesare Makes His Presence Felt

BROCKPORT — Surrounding the much-awaited Albany-Upsala mat-
cup Saturday night was the uncertain status of Ducks guard Ray Cesare. In his Albany's opening round Brockport Tournament win — a sluggish performance against RIT — Cesare and his slightly sprained ankle remained on the bench. Facing a powerhouse Upsala squad the next night, the Danes needed Cesare in the lineup.

But no one knew if Cesare would play.

"I don't know, and I thought it depended on how the game went," said Saunders. (Photo: Dave Machon)

"It's a great way to start the year," said a happy Dick Saucrs.

"I think the impact of this will carry us a long way," said Saunders.
