Springtime Means T-Shirt Time

When hot, everyone wants to wear something light, trim, and comfortable to beat the heat. For Springtime in State College, we have the perfect answer: T-SHIRTS!

State College Co-op

Special Attention to Seasonal and Plant Orders

Why... I smoke Chesterfield (with real secret of smoking ease)" says George Clancy, President of NKU.

Chesterfield's unique combination of pipe tobacco gives you a special satisfaction that only Chesterfield can give. And the taste, well, it's just plain good.

Always Buy Chesterfield

Looking Back...

Another Mud Day may bring the cease of athletic sports. The StuCo clubs will meet with new elections, and the spring semester will begin in earnest; while the Junior class will be returning from Winter Break.

Whether or not this year has been a good one, you cannot know. The amount of work to be done and the time to be spent in school are often so much that the year seems to fly by. But the fact that the classes have been able to keep up is evidence that the semester has been well spent. The work of the students has been of great value to the State College Community.

Looking Ahead...

But in spite of the routines, new ideas have been formed. The Student Government has been hard at work on a number of projects, and the courses have been continually improved. The classes have been growing in size, and the number of students has increased. The Student Association has been working on a number of projects, and the work of the association has been very successful.

To Recommend Passage
By Legislation In Fall

A motion to pass the legislation, stating that the modern design of the State College News is in line with the standards of the present day. The legislation proposes a change in the current layout to include more pictures and a new color scheme. The motion was seconded by John Doe, who argued that the current design is outdated and does not reflect the modern taste of the readers. The discussion continued with various members voicing their opinions on the matter. The vote was taken and the legislation was passed by a majority of four to one. The new design will be implemented in the fall issue of the State College News.
