SPRING MUST BE NEAR when Coach Bob Slingman's sport of baseball approaches its season.

**Spring Crows NCAA College Crown**

By Dave Warren

Albany State's Warren Crow successfully defended his N.C.A.A. college division championship Saturday as he scored a close 3-2 decision over Glen Younger of Western State, in the final round of the 123 pound division. The match was probably Warren's toughest this year, as the outcome was in doubt right to the end. The win upped Warren's record to an amazing 17-0.

In his first match Crow gained a 6-3 decision over Manhattan's Paul Lewis, of Colorado, who had a 9-4 overall record going into the match.

This final match Warren joined theButton-Universe to produce an impressive T-S decision over the

University To Host Intercollegiate Talk On The 'New Morality'

The University will sponsor the first in a series of university talks moderated by Dr. Alfred Schrage, assistant professor of English and director of the French program. Programs will be held in the French room of the University. The first of three sessions will focus on the "New Morality," and will feature speakers from the University of Pennsylvania, the University of Michigan, and the University of Oregon. 

The theme of the "New Morality" will be presented by Dr. Schrage, who will discuss the current political climate of the United States. The program will be held in the French room of the University, and will feature speakers from the University of Pennsylvania, the University of Michigan, and the University of Oregon.

God, Music, and Me

by Lou Scoville

Last year I began writing a New Year's address for the classroom 333 and had to dig it out of the snow before attempting to read it to the entire class. It was a delight to my soul, but it meant having to read it to the entire class, for I was in the habit of not reading to them. The result was that I had to get up, turn the pages, and read it to the class. The effect was that the students were not interested in the subject, but they were interested in the subject. I am glad to report that the students have been interested in the subject this year. The students have been interested in the subject this year, but they were interested in the subject this year. I am glad to report that the students have been interested in the subject this year.

Announces:

Tickets For April 14 Concert

THE LOVIN' SPOONFUL

On Sale Starting Monday, March 20

Campus Center Information Desk

Only one Jan Card needed for two tickets first day.
Ticket $5.00, $4.00 and $3.00. Half price with Student ID.
Pro Football

This week one of the new franchises, the Buffalo Bills, concluded a poll to list the attitude of the student body about the feasibility of a football team here. The poll was well received, with over 200 people responding.

At first examing, it looks like the undergraduates are likely to be in favor of a football team, while the graduate and faculty are somewhat less enthusiastic. What is easily recognizable from the results is that the student body is basically unanimous over the information necessary to intelligently answer such a question.

First of all, based upon the coat estimation, Mr. Harrington, Chairman of the Department of Physical Education, could fully equip a fresh and verity team and maintain each for a period of 15 years with funds now held by Athletic Advisory Board's surplus fund. We thereby have the funds for a football stadium, and practice field.

The Army game has changed seriously by professional football and college athletics, who are looking for a stadium to rent out. The trial game recently went overwhelmingly in favor of the Times Union, which public support would be held at the Coliseum. R.P.I., not to mention the Mets, has promised the need and hope the N.Y. State University to support a football team.

Under The Counter Intelligence

It's a matter of public knowledge that the students of this college are deeply interested in football. The student body is aware of the necessity to build a national defense, and in the eyes of many, the only solution is to build a football team. The student body is well aware of the fact that the sports program is an integral part of the institution, and that the success of the team is directly related to the success of the student body.

Proposed Honoree

Several times last semester we wrote editorial columns urging the administration to build a football team. It seems that much has been finally seen and heard, and all, it looks probable that it will be put into the hands of the students. We must take note of this fact and commend the administration of the students who finally cooperated to produce the football team.

Now, however, the proposal has promulgated. President John R. Calhoun informed us that he has been in favor of this all along and that he hopes the students will support him in this matter.

We are now ready to plan the way for the future. We have some suggestions to make.

Communications

No Faculty Support

The faculty of THIS college has been most active in support of the football team. The fact speaks for itself. The students are the ones who have been most active in support of the team. Champions Undecided In AMIA Hoop Action

In League IIA, the Brisk-Rhinecliff team has won only one of six games and is in last place in the League. The team has been outscored by 113 to 83. The league includes teams such as Brisk, Rhinecliff, and the Dutchess County Indians. The Dutchess County Indians have the best record in the league with a 2-4 record, while Brisk-Rhinecliff is in last place with a 0-6 record. The season runs until the end of March.

PBS Strengthens League II Lead; Upsates Mark Play

The PBS team is currently in the lead in League II with a 7-1 record. The team has scored 24 goals against 11 goals allowed. The closest rival, the Capital City Wings, has a 6-3 record. The season runs until the end of April.

Mike O'Brien: Outstanding As Coach, Amateur Athlete

In the summer of 1963, Mike O'Brien opened "Mike's Restaurant," which has since become a popular landmark in the Albany area. The restaurant is known for its delicious food and friendly service. It has become a gathering place for locals and visitors alike.

Company still pushing for new gym

The school administration is still pushing for the construction of a new gym. The proposal was first presented to the board of education in 1968, and it has been a topic of discussion ever since. The proposed gym would include state-of-the-art facilities and would be a major asset to the school and the community.

The proposition to be debated is, "The War in Vietnam should be ended." The committee will discuss the merits of this proposition and present arguments for and against it. The debate will be open to the public, and everyone is welcome to attend.

The yearbook for 1968 will be published in the fall of 1968. The editors, James Folts and Judith Mills, have already spent much work on the yearbook. They have been working hard to ensure that the book will be as good as last year's, which is 11" x 11" in size. The editors agree that although the yearbook has become too large, it is still a valuable resource for students and alumni.

The Climax of the Winter Sports Banquet

The annual Winter Sports Banquet will be held this Tuesday night at 7:30 p.m. in the Dutch Quad. The banquet is a way to honor the athletes and their contributions to the school. The event will feature speeches, awards, and a delicious meal. Tickets are available at the school office.
