Dr. A. R. Brubacher, president, has recently suffered a bronchitis, and will be unable to return to official duties until next September. This action is most significant in years that the president of the College has not been present for the annual Moving-Up Day ceremonies in Page hall. Thirteen members of the junior class were selected for membership in the senior honorary society, which numbered nineteen members this year. Twice before, in 1928-29 and in 1929-30, have there been thirteen members.

MUST THIS CONTINUE? Recently a member of the faculty of this College, while taking a shower in the men’s locker room of Drake hall, was robbed of a small sum of money. It seems that he had his clothing in the locker room for a few minutes, when he returned, his discovered money, papers, and the general contents of his pockets gone. He has been deliberately robbed from the locker room.

Scene," on Tuesday was certainly one of the most difficult highroads of life. The ability to adapt themselves to new situations and difficulties is a most difficult attempt at organization. May they continue in the same line, and push their way up into the public eye of the student world of ours.

Like the Milder,
Better Taste of Chesterfields

J U S T trying a package or two will show you that Chesterfields are Milder and Better-Tasting. But you can't learn much about why they're that way—except by taking our word for it.

When cigarette tobaccos are on sale, there you will find our buyers, busy picking out and purchasing ripes, mild tobaccos—almost good enough to eat.

Then they are blended and cross-blended—Domestic and Turkish lots, in just the right proportion, so that there'll be just one good flavor and aroma.

Baseball Varsity To Play Hartwick

The varsity baseball team will play its last game of the 1933 season tomorrow at 3:00 o'clock on the Biglerfield Park diamond, contesting the team from Hartwick college at Oneonta. Coach Rutherford Baker will start the regular line-up, with "Ossy" Beamer on the mound. The game will follow the usual custom of the Biglerfield Park series, Johnie Danforth, Gil DeLauri, and "Hack" Young, as they will be presented in June. Delilah and Delilah have been members of the baseball squad for four years, and Young has played for three years.

The State defeated St. Stephen's college at Oneonta last Saturday, by a score of 12 to 3. Due to the sudden illness of "Ossy" Beamer, who is not expected to play again this year, the players got "Ozzie" Morsch to fill in. "Bunny" Elkins played well, batting a "Hit". Young was the greatest asset of the Purple and Gold. Two precious games on the baseball schedule were canceled because of rain.
