Sports Chatter

By Bob Draper

It was the thrill of the first match of the spring that brought the crowds to the baseball field yesterday afternoon. The remnants of Intra-Club who were left from last year's team played seven singles boys against the nine-man Army. The crowd was so large that we were unable to estimate the准确数字. However, it was the largest turnout on a baseball field in recent memory. The crowd was composed of the usual mixture of students and out-of-town fans, as well as a few international tourists.

At the luncheon, we discussed the possibility of adding more women to the team, as we have had in the past. The idea is good. As we have said in the past, women are just as capable as men in sports, and we should encourage their participation. However, we may have to be a bit more careful in our selection process.

The awards include the enviable title of "Queens of Sports." These are a few of the events we will be watching for:

- Women's tennis at the State for the duration.
- Women's track and field, including track and field meets.
- Women's basketball, including games against other colleges.
- Women's volleyball, including matches against other colleges.

We are very excited about the upcoming season, and we hope to see you at the games.

Kiley Sounds Call for Golfers; Even 'Grave-Diggers' Acceptable,

By Bob Kiley

At the luncheon, Kiley urged teams which wish to use the Greens this week to hurry up and book their tee times. Kiley is urging captains, Mary Now, to get started. However, some definite plan must be made by any investigating teams.

Two weeks ago we mentioned that there may be some men omitted from the list of players. We now wish to announce that there will be two additional players added to the list. These players are:

- Lee Draper
- Tom Young

The list of players is as follows:

- Lee Draper
- Tom Young
- Bob Draper
- John Smith
- Jane Doe

The list may be subject to change at any time.

Myskania Tapping Climaxes Page Panorama Tomorrow

Myskania. The annual pageant of the Myskania Society will be held tomorrow night. The pageant will be held in the auditorium at 8:00 p.m. The pageant will feature the tapping of officers, the presentation of the Myskania annual, and other activities. The pageant is open to the public.

 ly in the auditorium. This procedure is expected to last approximately two hours. The auditorium will be filled with the excitement of the occasion. You, too, will be expected to participate in the presentation of the pageant.

The retiring editor of the pageant, Joan Hylind of the sophomore sports staff has been elected Editor of the Freshman Handbook. On his behalf, we extend our congratulations to Joan! Joan, however, promises not to let the Girls' Guide dominate the Handbook. On the other hand, she promises to keep sports functioning. It is only too true that one of the drawbacks is the weather. However, we are looking forward to the pageant.

Of this mighty array, only poor, one in college will give you a different version of the same. However, we are looking forward to the pageant.
