The Soviet authorities are systematically attempting to interfere with Jewish life within the Soviet Union. To this end, they have closed or have seriously limited the activity of a number of Jewish organizations, including the Jewish Student Alliance. Furthermore, they have prohibited certain Jewish activities, including demonstrations, meetings, and publications. The Soviet government has actively supported the growing wave of anti-Semitism within the Soviet Union. They have taken steps to prevent the expression of Jewish sentiments, and have even arrested and imprisoned those who have advocated such sentiments.

"Celebration"

This Weekend!!!

In the late 1950's two young men named Tom Jones and Harvey Schmidt wrote a piece of entertainment called "The Fantasticks". This play is still running on Broadway as of this date, and has been performed in almost every major city in the world.

"The Fantasticks" was presented at SUNYA in the spring of '68. Now, the Music Council is proud to present another Jones-Schmidt musical, "Celebration".

This play is a ritual performance of musical comedy. The plot concerns the struggle between the forces of Good and Evil, as represented by Orphan and Mister Rich, for the possession of Angel, a young actress. The conflict is narrated by a master of ceremonies, Pofemkin, and a group of Revelers, the dancing chorus which comments on the action.

The play will be presented this Friday and Saturday, at 8:00 both nights. A matinee will be presented Saturday afternoon at 2:00. Admission is $1.00 with Student ID, and $1.50 for the general public.

The play is directed by Michael Reynolds, who did such an excellent job in "The Roar of the Greasepaint-The Smell of the Crowd", "Diary of a Madman", and "Orestes" last year. From all accounts, those who have seen dress rehearsals and previews have been quite impressed. We suggest that you get your own chance to enjoy them, and that you get there early in order to be seated if desired. You won't be disappointed.

To Be Obscene, Not Heard

An ASP Column

By Barry Kinsman

Dear Mr. Editor:

Would I like to question the good taste of a man who speaks loudly about the generation gap. Mr. Burgess is cited by "Les Lumières d'Outre," but no one has ever said what it was immediately. Now I find myself thinking about the generation gap. Without speaking, people are left with a choice between old and new. I cannot help but think of the future. I know that the coming years will be harder or easier for all of our time. But I do not know the relationship between them. The future will be determined by the choices we make.

As far as I am concerned, I do not want to be a part of the generation gap. I want to be a part of the future. I want to be a part of what is coming. I want to be a part of what is happening. I want to be a part of what is going to happen. I want to be a part of what is going to be.

Sincerely,

Barry Kinsman
