13 FEWER FRESHMEN PLEDGED THIS YEAR

14 Sophonics Receive 67 Girls into Full Membership During This Week

Thirteen less freshmen were made members of sororities this year than were initiated last year, a count of two members announced this week in 14reek letter organizations. Three sororities announced no pledges for the first time.

State women's houses were woefully underpopulated this week.

MISS MANLEY DIES OF SUDDEN ATTACK

Promising Career Lay Before English Instructor, Dr. Hastings Says

Less than a week after the death of Alfred W. Manley, late assistant professor of English at the State College, Miss Pauline Manley, an instructor in English, died suddenly today. She was deeply shocked, being a close friend of the family.

"Miss Manley, who became a member of the faculty three years ago, had been under the care of a physician for several months. Death was caused by a natural process." Dr. Nelson

"It is difficult to express the sorrow of the death of a person like Miss Manley, who came here with a brilliant reputation and who has grown into a devoted and popular teacher," Dr. W. W. Hastings, dean of the college, said in a statement.

Miss Manley was considered one of the outstanding members of the faculty in the past year.

The next few days will be the time for the family to come to terms with the loss. Miss Manley was married to the dean of the college.

VARSITY TO MEET
N.Y. AGGIES TONIGHT

Invaders Will Try To Revenge 37-33 Defeat Suffered
Seeking revenge for the 37-33 defeat handed to them by State College on their own court, the New York Aggies will be in a fighting mood when they face the Purple and Gold in a return game on the State College court tonight.

The Aggies, who are the only team to score more than thirty points on the State College court this year, boast a five-man offense which will be difficult for Captain Henry and his men to solve on the narrow Slate Court. State has been playing against that type of defense this week in scrimmages with the second team.

The Aggies will come to State court with hopes of breaking the Aggies' record of 20 victories and 12 defeats this season. The Aggies have won 10 games this season, including a 29-26 victory over the Aggies at New York.

Generating Brain Power

BRAIN power, not horsepower, is the chief operating requirement of the electrical industry.

This requirement must be continuously anticipated to provide leaders for the future. Accordingly, each year, more than 400 picked college graduates come to the General Electric Company for a post-graduate course in electrical science.

With a faculty including inventors and engineers of international distinction, something more than electrical knowledge is imparted to these young men. Here they also find inspiration which prepares them for leadership in this electrical age.

MEN MAY ORGANIZE A SWIMMING TEAM

Shillinglaw, Allan, and Jones Available To Form Nuclear Of Team

Efforts to organize a men's outstanding team here are being made under the direction of Robert J. Shillinglaw, 24, manager of last year's team.

Shillinglaw said he believes a sufficient number of men are interested to warrant the attempt. Leo J. Allan, 23, captain of last year's team, will be available again this year. Arthur Jones, 24, and Shillinglaw will both also be available.

Matches will be obtained with Albany College of Pharmacy and any other college of the vicinity having a rating similar to State College.

The only match entered last year was held with Albany College of Pharmacy in which the students of the team will be selected through participation in a swimming demonstration. Teams will be fifty yard races, butterfly, breaststroke, and relay.
