The News wishes to call the attention of every organization and group about ways of strengthening the state's capacity to handle emergencies, as well as the need for leadership. The News is especially interested in any organization that has a new leader or is planning to elect one in the near future. The News is also interested in any group that is planning to strengthen its organization through new members or increased activity.

Progress

In an effort to clear up some of the confusion which surrounds the first week of school, when so many freshmen are anxious and confused, the Information Office has appointed a committee to investigate and report on the situation. The committee will work closely with the Information Office and the Administration of Activities Committee. The committee consists of three members, one of whom will report an excellent plan which, if put into effect, would be beneficial to the whole student body.

LACE SATURDAY

In the process of preparing for the proposed LACE (Lancaster Area College Students) Saturday, the organizers are planning to have a number of events for the benefit of the Freshman Class. The proposed activities include a dance, a picnic, and a panel discussion on the role of the Freshman in the College. The committee is working closely with the Information Office to assure that the events are properly organized and well-publicized.

College Calendar

TUESDAY, NOVEMBER 8

HOME COMING Committee Preparing
Sororities Pledge Floats for a Parade to Blecker

Homecoming Committee prepares sororities pledge floats for parade to Blecker.

Sororities for Homecoming will have float entries including Delta Phi Epsilon, Gamma Sigma Alpha, Sigma Alpha Iota, Kappa Delta Rho, Delta Zeta, Chi Omega, Alpha Xi Delta, Pi Kappa Alpha and Zeta Tau Alpha.

On Wednesday morning at 8:30 a.m., the Homecoming committee will meet in the Board Room to coordinate the activities of the day. These meetings date back to last Wednesday night at 8:30 p.m. when the committee held its first meeting with many visitors in attendance. A good deal of business was transacted, including the decision to have the parade at 3 p.m. with the Homecoming Band playing from the tailgate.

It was again decided that the parade will be a prominent feature of the day, with the floats, sorority units, the Homecoming Band, the Homecoming court, and other groups, all marching down the street to the Rockwoods. The parade will be followed by a Homecoming Dance at 8 p.m. in the Gymnasium.

In addition to the parade, there will also be a bonfire at 7 p.m. with a fire drill scheduled for 7:45 p.m. The Economics classes will be the first to start, followed by the Chemistry and Biology classes.

The Homecoming committee earnestly asks all groups to work hard to make this a successful and entertaining day.
