CABINET HOUSE PARTY

Bright sunlight on blue water, the splash of oars as the unloved schooner lifted, and we are off. The call to the boat deck, the book Leiko, bound for the haunt of the Y. W. Cabinet as they left it last year, as预言地/foresees the unusual event of a particular morning, Florence Craddock, 26, is vice-president, Marie Allen, 22, treasurer, and Helen Blasing, 26, cheer leader. Ruth Storrs, basketball manager, 24, are tied for the office of secretary. There will be a revote Monday, May 14, in the future elections for these positions.

A series of interclass engo-ball games will be played off during the next two weeks. May 14, the seniors play the juniors; May 15, the sophomores play the freshmen; and May 16, the seniors and sophomores play the juniors and freshmen, while on May 21, the seniors and juniors play the sophomores and freshmen.

In preparation for Moving Up Day, the G. A. A. are holding track practices at noon.

The G. A. A. hike to Indian Ladder will be on May 12, take place on Saturday, May 26. The return trip will be made in time for the lease in the "White Headed Bay." The postponement was caused by the inclement weather of May 12.

BEG PARDON

The News wishes to correct a mistake occurring in the Faculty Notes of the last issue. Miss Perine was reported as saying that the inspiration of convention meetings was invaluable. What Miss Perine said was that "the inspiration of these meetings was invaluable.

CONGRATULATIONS

If this issue of the "News" appears different from its predecessors, it is because the new board is making its initial attempt at editing the paper. After four years of hard work and little credit they have arrived. This is their first opportunity to put in new ideas and improve the makeup of the paper.

If they do this successfully, they will continue the upward trend of the "News" thru the few years of its existence. As the time goes on, the paper should come nearer to that ideal which is without fault and pleases everybody.

It is our privilege and pleasure as senior editors to take this opportunity to congratulate the juniors who have been designated as senior members of the board and wish them success.

BIOLGY FIELD TRIP

The Biology field trip this week was a trip to the Mill Creek Gorge, Hamilton. The car leaves the Albany Southern Station at 2:00 P. M. and returns at 5:00 P. M. The cost of the trip will be 25 cents.

STUDENT COMMENT

THE NEW LEAF

Attention all freshmen. Today May 18 is Moving Up Day, and our class is now the sophomore class of S. C. T. Let's profit by our experience this past year and start out the sophomore class with lots of pep and spirit.

Get out your "freshman" handbooks again. It says, "Play your class dues and attend class meetings." Remember that next year, when you come back as a sophomore, pay your class dues as soon as the collection of them starts. Then attend the meetings. It's your privilege if you have paid your dues, but more than that it's your duty. No class can be at its best if half its members take no interest in what it is doing.

When it comes to time to vote on any question which may come up, attend the meeting and voice your opinion. It is your own business; we may say that we didn't know how many of our members couldn't vote in class elections. We don't want to repeat the same mistakes next year. Let's make a resolution that it won't. Why not have our class the banner class of next year. We have the members and the experience. Now it's up to us to show S. C. T. that we have a little push.

We may say that we didn't know how things were going this year, but we can't give that excuse next year.

OF COURSE YOU'RE GOING

Is everybody getting ready for the Silver Bay Conference? You know we can give us first-hand information.

As a result of the G. A. A. elections, May 9 and 10, Wilhelmina Heinemann, '24 and Dean Clara L. S. C. T. Let's profit by our experiences in the last issue. Miss Perine was talking for a few minutes about the "News" thru the few years of its existence. As the time goes on, the paper should come nearer to that ideal which is without fault and pleases everybody.

It is our privilege and pleasure as senior editors to take this opportunity to congratulate the juniors who have been designated as senior members of the board and wish them success.

CHEMISTRY CLUB NOTICE

The Chemistry Club will hold its annual Spring picnic this year on May 19. All those desiring to go are requested to meet at the Plaza at 9:30 A.M. It is hoped that they will be a large crowd that will enjoy the picnic. We are planning a special feature this year, which will be announced later.

Dr. R. W. Fischel and Dean Fischel will be the toastmasters, and the speakers will be Professor Smith, '23, Mrs. George College, and Dr. Leonard Wood. The following committee have been appointed to plan the picnic: Helen Sherman, Secretary; Blanche Kilmer, Treasurer; and Elizabeth Nagle, Alternate.

Public Sales

We have purchased 122,000 pairs of shoes for the Women's Army Stores. A total of 122,000 pairs of shoes, sizes 5 to 12, were purchased for the Women's Army Stores.

This shoe is guaranteed on a hundred percent basis, and all returns will be accepted. A written guarantee is included on each pair.

Send correct size. Pay postman on delivery and send money order. If shoes not as presented, we will cheerfully refund your money promptly upon request.

Women's chorus

Of special interest to the students were the two selections composed by members of the student body, "Gottotte" by Florence Dorsey, '25, which had splendid orchestral possibilities, and "Marie Russe" by Eleanor Giffen, '24, which had a rigid, martial movement together with enchanting rhythm and volume.

The solo parts were given by students of special merit in the women's chorus and men's glee club.

Of special entertainment was the Spanish dance given by Emily Belding and Viola Holmes in costume. Graceful, enchanting and very Spanish, the dance was a pleasuring part of the program.

Evidence of the appreciation of the audience was their persistent encore of several of the numbers.

KENNETH MACGOWAN LECTURES ON PHASES OF STAGE PROGRESS
(Continued from page 1)

Those few who had braved the storm to come out to hear Mr. MacGowan's lecture, the interesting revelations of the possibility of the theatre of tomorrow justified Dr. Brabacher's remark.

JOSEPH HENRY SOCIETY

The Joseph Henry Society has invited the Chemistry Club to join them in a meeting Saturday evening, May 19th, at 8:38 o'clock. An illustrated lecture on "Color in Nature" will be presented, followed by dancing. The music will be furnished by the radio, using the regular dance program broadcasted from W.G.Y. studios.
