STATE ESTABLISHES TEACHERS' AGENCY

Cooperate With State College and Normals in Placing Graduates

FILLS LONG FELT NEED

Establishment of a teachers' employment agency in connection with the twelve employment offices of the state school authorities was announced by Dr. James A. Hamilton, industrial commissioner. Employment agencies of the state now cover industrial, commercial, domestic, agricultural, building and home-science free placement services.

The new service will be operated in cooperation with the state normal schools and teachers' training schools, including State College, with the assistance of the state school authorities. A luncheon committee will be formed and the plan is an excellent one. It will not only make it easier for those who are not already members of a teachers' training school, but it will also be of great benefit to the schools and colleges.

Applications will be received not only from teachers for primary and grammar grades but also from those for high schools and colleges. In Albany the teachers' employment service will be handled through the Albany office of the employment bureau, 118 Broadway, of which Charles W. Penley is director.

Establishment of the services will result in more satisfactory conditions and more suitable placements, it was said. The shift of teachers, especially in rural schools and small towns, each year mounts into hundreds. It is stated much of this can be avoided by proper planning of teachers in the first instance as well as in satisfaction both to the teachers and the education board.

Dr. Hamilton termed the new service "an advanced step in public employment activities of the department." Several rates attend the service. Applications by school authorities for teachers should be made early enough to give the employment service officials time to select a suitable applicant.

MID-WINTER FROLIC OF G.A.A. IN CAMP TONGUE

G.A.A. will have a midwinter frolic tonight. Refreshments are in charge of Mildred Loman with Bertrice Wright and Carolyn Schoeffel, assistants. Ruth Maynard will take care of decorations. Katharine Bleik is in charge of the program. The program will include the following: Costume chorus, "The Drunk Faeries" by the Drama Club; "Pep Band." Pep Herman, Ruth Moore, Dorothy Terrell and Marjory Young are a few of the surprise entertainers on the program.

STATE PLAYS SAVAGE PHYSICAL EDUCATION SCHOOL TONIGHT IN NEW YORK

The varsity basketball team which won one game and lost one over vacation, will play the Swedish School of Physical Education in New York.

Last week the varsity was to have played Brooklyn Polytechnic Institute, but the school was closed. The Swedish school was invited to play New Paltz Normal in a return contest on its campus.

The varsity won, 46 to 22, from the Swedish Normal at 5:30. The game was open to the public at the Swedish Normal.

The two games brought the team's record to six victories in six contests. The team is thirty-eight points ahead of its nine opponents in scoring totals for the season.

FENCe FOR CAMPUS IS FAVORIDe BY STUDENTS

Continued from Pa. 1

William J. Clarke, '27, manager of the varsity basketball team, said, "A fence is a real necessity. It will be more necessary after the new buildings are completed. This ground should be kept for the purpose of a park playground by all the neighborhood children, who seek the upper campus to play, roll down the slopes, hop, skip and jump. Children, too, play all kinds of games on the ground."

Richard A. Jensen, '28, secretary of student association, said: "It would do away with a certain temptation, 'to follow the crowd' and save time in a short cut." Anthony Kuczynski, '28, varsity basketball player, said, "It would certainly add to the attractiveness of the campus."

Harriet Parlour, '28, thinks that the plan is excellent. "When our new buildings are finished, we will be separated from the outside world, thus making a little world of our own, which will be quite considerable."

David Smart, president of '29, said: "I think that the fence idea is one which will solve a problem that has been pending for a long time, that is, how to keep our campus for State College students, and how to keep it in such a condition that we may be proud of it. The athletic field will provide a playground for the students.

Mildred Eicher, secretary of '29, declares, "I have always loved fences; they add to the beauty of a landscape. A fence such as the one proposed would increase College spirit a hundredfold, and the College would be a more attractive place."

Ruth Fennell, '29, said, "The fence should be erected as soon as possible."
GIRLS' VARSITY WINS
FROM ALUMNAE TEAM
BY SCORE OF 22-19

The girls' varsity played their first game with the alumnus Saturday night. Due to many of the players on the varsity team being recent graduates from 24, and the varsity for the evening being a result of a try-out, the contest was close. Marguerite Litzchow, last year's varsity captain, was star guard for the alumnae. The Host-Craddock combination was back on the floor. Ethel Daffis, junior forward of renown, was not due to a sprained ankle last but the Tompkins-Sweetman-Neville trio from the junior team piled up points for varsity. At the first half varsity had scored 13 to alumni's 9. The second half was supplied along from a starting field shot by Lorona Shaffer, to a final tally of 22-19 with varsity on the long end of the score. The alumni: Felding, G., 24; Hoyt, F., Craddock, F., Dophe, F., Taylor, G., Davis, G., Hurbins, G., 26. Varsity players were: Milling, G., Raynor, G., J. Vezin, G., Shaffer, G., Melrose, G., Neville, F., Neville, F., Sweetman, E., Tompkins, E., Maar, G., Ringle, G., Folio, G., 27; Lauder, G., Wright, F., Seeger, F., Rowland, G., M. Doughty, G., 28.

STATE COLLEGE NEWS, FEBRUARY 12, 1926
PROCEEDS FROM THREE PLAYS PAY EXPENSES AND LEAVE $50 PROFIT

For the first time in the history of elementary dramatics class presentation the class has been able to pay all expenses and has a surplus left from the sale of tickets for the three plays which were presented at the Institute of the Historical and Art Society on January 14 and 15.

The intensive advertising kept the interest in the minds of both students and public and their financial support was most gratifying. The surplus of about fifty dollars will probably be turned over to the Dramatics and Art Association to assist in carrying out their spring program.

TO ISSUE QUARTERLY IN MIDDLE OF MONTH

Olga Hampel, editor-in-chief of the Quarterly, announced that the second "Quarterly" of the year will be out about the middle of February. One or two new writers are to be introduced, but their identity is not yet being revealed. Attention is again called to the fact that the "Quarterly" belongs to the student body. New writers are urged to get their copies of the second number.
