Cross Country Squad Wins
Tight Race Over Boston

The heavy rains of Albany State changed two seasons in one short week. On Wednesday, in a double-dealt deal, the Great Danes defeated BPI by a score of 14-6 and Siena by a score of 16-3 to avenge their previous losses. Thursday, in a tight race, the men were led by Larry Fandrup, against Siena and BPI. Freshmen broke the course record as he completed the 3.8 mile course in 13:37.

Larry was followed across the line by Pat Gepfert and Paul Roy. In addition to taking the top three places, Albany received a score of Paul Roy, third and Bob Wayman seventh. For Horrison, the frontier offered a tough assignment. The Danes in their regular season spotted Siena. Despite the fact that Siena was one of the two teams to escape the rainstorm, their effort was not enough to upset the Danes. As a result, their record now stands even at 4-4 for the year.

The men's team, however, continued its winning streak. Their efforts were in vain, however, as the women's team was defeated by an inability to find an effective attack. Home groups have been anchored all year by the Danes, however, Coach Schieffelin made sure that no objections could be raised by the other teams.

The Danes have won two out of three matches this season. They have nothing to lose but a victory over Boston State. In the first half, Albany's offense looked repeatedly ineffective as they were unable to make any kind of headway against the Danes' defense. Schieffelin made an attempt to exploit some kind of attack in the second half but was unable to score on a few chances. His efforts were in vain, however, as the Danes played a solid defense. Both, however, seemed to be missing on Saturday.

The Danes have won two of the last three matches. They have scored impressive victories over some of the top teams in the country. Paul Roy, a senior, scored the winning goal in the Danes' 3-0 victory over Boston State. In the Danes' last match, however, Coach Schieffelin made sure that no objections could be raised by the other teams.

ALBANY STUDENTS"
**Harriers Gain Shutout-Seven Men Cross Line**

By Dave Burns

For years, the cross-country team at New Paltz has placed a heavy emphasis on cross-country races for men and women. This season, the men's team has made a strong showing, and the women's team has also been successful. The men's team has won several meets this season, and the women's team has been in close contention in many of their meets.

Defeated

By Tony Corsi

The APA men's soccer team has yet to settle on a preferred outcome for the remainder of the season. After a week of intense training and competition, the team has yet to establish a clear direction for their upcoming matches.

**For Women Only**

By Leslie King

The APA intramural program is up and running, with a variety of sports available for students to participate in. For the first time in recent history, intramural programs have been offered to both men and women. As a result, there has been a surge in the number of participants, and members and captains should be advised ahead of time to schedule. Volleyball, soccer, and kickball have been the most popular sports among students.
