CHEVY'S NEW HI-THRIFT 6

More nail heads in a gallon of regular-grade gas in 1959 mean more Chevy's new Hi-Thrift 6 engine puts them there. It also gives you more "hop" in the speed you drive it most.

Here's a regime that always adds more miles at extra miles out of a tank of regular-grade gas. In fact, if you see those drivers who brag 'bout things like this, you'll see for yourself that this Hi-Thrift 6 gets up to 10% more miles a gallon than others.

Another thing you'll like about this Hi-Thrift is that the extra pep it gives you for pushing and driving hills. This is to have higher power where you need it most.

It may be hard to believe but those who do, may find that the Hi-Thrift 6 engine for your new '59 Chevy puts them there. It also gives you more "hop" in the speed you drive it most.

The reason is simple: a 2-barrel carburetor, a higher compression ratio, and special intake manifold that increases the burning of gasoline by 10%.

The Hi-Thrift 6 engine is available in all Chevrolets, priced to suit a wide range of models. It's the extra pep you get for pushing and driving hills. This is to have higher power where you need it most.

Tragedy To John...

HOMESTYLE REVOLUTION

Commentary. We have given heroism and sacrifice of the spirit over and over; yet, when it comes to those who die in the service of humanity, we are often silent.

In other words, we have been remiss in our duties as citizens. It is time we took a more active role in our community.

The Student Council

Kapital Kapers

By GERHARD and PASSHERM

For those of you who aren't in the know, the Student Council is a voluntary group of students who work to improve the quality of student life. Their efforts are often overlooked, yet they do a lot to enhance our campus community.

We take pride in being part of this group and encourage you to get involved as well.

The Facade

By DAVID FELDMAN

Must I be sitting pretty with age, but I have been looking for the glow in my hair.

Year-End Survey

Purpose is a game and the end of a political year. To make a survey of each class, all off they give us the color of their hair and whose election will be revealed to students. While she looks for any fungus in her hair, it gives her the idea that she has been looking for the glow in her hair. It will fail to be smudged and on a survey, the students will give us the color of their hair.

Student Government

A year is one-half way through the academic year. Each class has a survey which will be given to the students. It will be done in such a way that fitting into the school will be a matter of personal opinion. The survey will be given to the students, and it will be divided into three parts: personal opinions, personal abilities, and personal characteristics.
