COMMERCIAL EDUCATION

Second Film Production

Those who are interested in the work of the Commercial Education Department have an interesting week before them. On Monday afternoon at 3 o'clock a party will be held.

HEALTH LECTURES FOR WOMEN STUDENTS

To Be Illustrated with Films

Dr. Carol C. Croff of the State Health Department, who has been lecturing at summer sessions at normal schools and colleges during the summer, will give illustrated lectures for the women students of the Summer Session in the auditorium on Monday and Tuesday, August 8 and 9, at 12 o'clock noon.

The lecture Monday will be accompanied by a new film issued by the State Health Department with the title "The Gift of Life." The second lecture, which is also illustrated, will deal with related subjects. All women students are invited to attend.

PROGRAM BY REQUEST

The organ recitals which Mr. Candlyn has been giving on Wednesday afternoons at St. Paul's Episcopal Church have been enjoyed by a number of the summer students. This week a special privilege is offered to his listeners for the concluding program is to consist of numbers of their selection. Mr. Candlyn has already received requests for certain favorites, but there is still time to-day to hand in the number that you would like. And then come Wednesday at five to hear it played.

DRAMATICS AND ART ASSOCIATION

The Dramatics and Art Association was founded in 1920 for the purpose of arousing a greater interest in dramatics and the fine arts, and of giving the students more advantages in both these fields. The payment of the student tax automatically makes each student a member of the association. Thus it includes practically the entire student body and insures to everyone an equal share in the benefits derived. The association is financed by an appropriation from the student tax fund.

The control of the organization rests with the Dramatics and Art Council of nine members, three faculty members and two students from each of the upper classes. The council elects its own officers and transacts all the business of the association.

The events put forth by the Dramatics and Art Association this year have attracted much attention. The feature was John Drinkwater's lecture here on February 8. The four complete plays presented thus far during the summer have been respectful of the student tax fund.

FAREWELL PARTY FOR SUMMER STUDENTS

Two Selections by Miss Futterer

The many new friends that Miss Futterer has made through her delightful work this summer will be sure to enjoy her program this week. She will read "The Playgoers," by Arthur Pinero, and "The Policeman," by Albert Parker. This may be the last opportunity you will have of hearing Miss Futterer read this summer. Certainly no one needs to be urged to take advantage of it.

After the readings you must not fail to come down to the gymnasium for our last get-together or farewell party. You have been having a fine time all the other occasions; see if this isn't the best yet. Just how you are to be entertained is not to be revealed yet, but—come and join in!

SOLOIST AT COMMUNITY SING

Miss Edna Shafter, a member of the class of 1924, who was unable to sing at the Community Chorus last week, will sing to-night instead. Her fine contralto voice is very much enjoyed around State College, and without a doubt will be equally pleasing to the summer school audience. As was announced last week she will sing a group of songs by the American composer, MacDowell.

Have you sung "College of the Empire State"? Why go to the gatherings Monday night? It might be of interest to Know that the composers of that well-known State College song are registered in summer school. They are Mrs. Frances Hubbard and Mr. A. W. Lansing. This is the last opportunity to come to the Community Chorus this summer. Make the best of the privilege.

REPORT CARDS

All those people who desire to have the marks of their summer courses sent to their homes should have a stamped addressed envelope in the registrar's office by 5 p.m. The size of the report card will be three by five inches.

FINAL HISTORY TRIP

A farewell history hike will be held on Wednesday, August 10, to the Schuyler Mansion, leaving college at 2:30. This will be your last opportunity to play the home of the Revolutionary general. The trip will be over in time for the organ recital.
In behalf of State College we wish to tell you how much we have enjoyed having you with us this summer — to work and to play. Everyone will agree that this has been a fine season, but it could not have been so if it had not been for each one of you.

We trust that you will need no urging to come back and spend the six weeks of summer school with us next year — if you do not come back before the work of the year begins.

The spirit of work and association to business has been splendid. The student social committee has been intelligently active in providing entertainment and diversion and is entitled to very great credit for making the Summer Session a pleasant one for everybody. The officers and managers of the News have done some excellent work of a scholarly order. The spirit of school within the school teachers.

The daily attendance upon classes has been remarkable good. Many of you who elected courses for registration at the opening of the Session have not missed a single day, and the Director has hardly been called upon to issue a dozen excuses for enforced absences on the part of students seeking credit.

The generalizing those impressions into a definite, deeper significance.

MISS H. A. KITTREDGE

Miss Kittredge is a graduate of Brockport Normal School and has been instructor in the Teacher's Training Class at Middletown for fifteen years. She is a member of the class of 1922. She has worked very hard to make State College a success, but at the same time he has retained his curiosity for good nature and friendliness to all. Surely the student body is grateful to him for his efforts.

YOUR LAST CHANCE

Take a final dip before you plunge into examinations. Meet with us at 3 o'clock Tuesday. There is still one more chance to learn to swim.

ACKNOWLEDGMENT

As has been said each one has helped to make Summer School what it has been, but there are several people without whom State would have been exceedingly dull. There will be no need of mentioning their work, when their names have been given. To the following with love and thanks of the college: Miss Agnes E. Foster, Mr. Harold Thompson, Mr. T. Frederick Carolyn, Mr. Ernest Hesser, Miss Harriet Ritter, Miss Mary Whish and Miss Mildred Chapin.
