CHESTERFIELD'S

RIGHT COMBINATION

of the world's best cigarette tobaccos
brings out the best features of each

All the fine American and
Turkish tobaccos in Chesterfield's
famous blend are known for some
particular smoking quality... and
the way Chesterfield combines
these fine tobaccos is why you
get a milder, better-tasting smoke
with a more pleasing aroma.

That is why, when you try them
we believe you'll say...
The amendment for the posting of numerical rules, they would overcome this difficulty. Moreover, granted by try-outs.

Irene Poger should be commended on the way she off the stage on the tandem. Where is the yep and enthusiasm in State college?

And that isn't any damning criticism, for it was he off the stage on the tandem. Where is the yep and enthusiasm in State college?

Yep — your old friend Hel­

Tobacco...opens Doors to Fields where People Live, Work & Achieve

Today there are about 1,000,000 cigarette stores, drug stores, country and grocery stores where you can buy cigarettes in the United States. These retailers, and the jobs that they have, are engaged directly or indirectly in the transportation of cigarettes to every town, hamlet and crossroads. The modern tobacco farmer has done well the job of cultivating his crops. He has raised them with care and protection. The modern tobacco farmer has done well the job of handling them in the fields, storing them at harvest time. He has grown them so that there is a more complete response of the cigarette to the individual. Tobacco has been a part of American life for years. Tobacco is a product upon which the American public has its pleasures. There are another million people who are engaged directly or indirectly in the transportation of cigarettes to every town.
