VOL. XL NO. 14
Emergency Measure: Today, Mykonia will introduce a resolution to the Congress of Student Leaders, calling for a temporary form of representative government. This measure is not intended to be permanent, but rather a temporary solution that the faculty is not willing to accept. The motion has been written by Mr. H. G. F. and engraved by the Assistant Professor of Social Studies. The motion calls for a temporary form of representative government to be established immediately, with the purpose of ensuring the safe passage of important legislation. A temporary form of representative government would be a temporary measure that is necessary and should be given to the representatives of the students. The measures should be temporary, and the representatives of the society should be able to express their opinions without fear. The motion also calls for a temporary form of representative government to be established to ensure the safe passage of important legislation, and the representatives of the society should be able to express their opinions without fear.
