Newman, Gamma Kappa, Psi Gam, Phi Delt

victorious in both of its games this
season. Last week's victory over Phi
Delt, 60-50, was a result of teamwork,
with the forwards doing most of the

active in the first half, when they
scored 35 of the team's 40 points. The
Psi Gam team is currently ranked first
in the conference.

resolved through the intervention of
the headmaster, who was able to
mediate the conflict and restore
peace to the school.

Softball Added To MAA Book

AA's guarding was effective when
they were able to prevent the other
team from scoring. The game was
deliberate and slow-paced, with both
teams playing excellent ball, holding
their opponents to low-scoring
quarters, to win 30-24. In the last
quarter, the AA's were able to pull
ahead by one point. Both teams

Newman Extends KD's In Two Extra Frames

By A Male

The Phi Delt and KD have been rivals for many years, and tonight's game was no exception. Newman, the star player for KD, extended his lead with two extra frames, winning the game 7-5. The Phi Delt tried hard to catch up, but Newman's performance was too much for them to handle. The Phi Delt is disappointed with the loss, but they know they can improve with more practice. The KD, on the other hand, are thrilled with their victory. They are looking forward to another great season and hope to win more games in the future.

Philosophical Thoughts

Winter demands philosophically, the removal of this seeming necessity for a hotly contested basketball game? It doesn't get smart.

Have a "Coke" = Sakabona

...from Bloomsfootis to Buffalo

In North Africa, as in the U.S.A., the greeting "Have a "Coke" helps the American soldier get along. And it helps, too, in other known places where "sharks" tend to congregate. The men of the 7th Infantry Division, at Fort Bragg, N.C., for instance, stand for the photo that symbolizes the friendly gesture of their friends in the Big Apple.
