Attention All Neglected Souls,
Reverse Those Classroom Tactics
We want action. If you feel that you are being ignored by your teacher, then take the initiative and confront him. If he continues his tactics, come back to us. We promise to come to the support of all students
who are treated unfairly. This is the first step to making State a better place to be.

Our Money
In October, AMIA, recognizing its own inadequacies, asked Student Council to create a budget. Student Council recommended that they secure a separate room to store their equipment. They also suggested that the AMIA equip itself with the exception of a few possible items still in the supply room. These who the request because of the nature of the endeavor, said that they have decided to proceed with the recommendation.

Our Money
In the beginning, AMIA was organized to provide a social and cultural environment for students. Since then, its activities have expanded to include a variety of other activities, such as social events, cultural events, and community service. AMIA is committed to providing an inclusive and welcoming environment for all students.
