Harriers Clobber Engineers, 23-34; Downs' Run Crucial To Outcome

Despite a series of reverses, Albany State's running backs struggled to gain yardage against RPI. In a recent game, the third participant in the most involving Albany and RPI, had to drop out for failure to field a team. Great Downs was named "Player of the Meet" by Coach R. R. Kenedy.

The League I tilt between APA and Kappa Beta was a thriller, with both teams finishing with 6-1-1 records. APA's four wins came against Kappa Beta, while Kappa Beta's three victories were against APA. The tie came against State, which had a 4-1-1 record. The APA booters will be out for revenge in their next game against State.

Tsdodo's 3 Goals Pace Dane Win Onoentea

Led by Maurice Tsdodo, the Albany State Great Dane soccer team scored a 3-0 victory over Oneonta Wednesday at Onoentea. Tsdodo's three goals were too much for the Danes to handle, as they held off a late Oneonta surge to secure the win. The Danes will now prepare for their first game after Tsdodo's performance, as they aim to maintain their winning streak.

Suzanne Wade Crowned As Homecoming Queen

Miss Suzanne Wade, a senior majoring in English, was crowned homecoming queen '66 at the annual festivities last Saturday night. Wade received the title after a pleasurable and inspirational running.

The State frosh soccer team returned to action on Saturday afternoon, seeking to continue their two game win streak and repeat the 1-0 Homecoming Classic tomorrow afternoon. The team sparkled defensively, not allowing Oneonta to score a goal. The Danes moved up to 6-1-1 in the third and fourth possession to win.

Tsunami's 6 Goals Pace Dane Win on Homecoming Weekend

The Danes' victory over Oneonta on Saturday afternoon was typical of our usual winning streak. It was a resounding rebound (from the defeat, 4-1). The Danes were determined to make a statement in their next game, and they did not disappoint.

The Danes' 6-1-1 record is a testament to their hard work and dedication. They have been working hard throughout the season, and it shows in their performances on the field.

**Insurance Increase**

An increase in the student insurance rates will take effect with the payment of bills for second semester. Mr. Art Knap, insurance agent for the University, notified the student body of the increase. He explained that the increase in rates is not to be blamed on the insurance company, in that they have represented the company they are working for. Mr. Knap has represented a number of companies and has worked with the University insurance.

Of course, students don't want to pay more than they have to, but the increase in rates can't be avoided. Mr. Knap has represented a number of companies that have provided the University with insurance.

These companies have lost money because their rates were not high enough to cover expenses. He commented that last year the company paid back to students through their claims, 90% of what they should have paid. This is because their rates were not high enough to cover expenses. These companies have lost money because their rates were not high enough to cover expenses. The New York State University Insurance Department, which represents the University, is trying to get the rates increased.

This 10% remainder does not leave a truly vital force in society. It is the purpose of intellectual excellence. We feel that any all-university governmental body, the Freshman Class Executive, have reached the conclusion that freshmen should be permitted to pursue such activities with the cooperation of the Panhellenic Council.

The Board feels that freshmen who are interested in the University and the University community, should be permitted to attend such activities. The Freshman Class Executive, in turn, will be responsible for regulating the activities of freshmen in the Panhellenic Council.

For this reason we speak of the College for today and in the future. We look forward to the day when Albany will be a progressive university with a period of change.

**Academic Podium Draws Alumni, Many Impressed By Campus Change**

Academic Podium attracts a large number of alumni every fall, and the event for such a large audience is one of the annual events coordinated by the University. The event is to be held on October 22 at 10:30 AM and will last for two hours. Attendees will have the opportunity to view the event on television screens and participate in a discussion with the faculty and alumni who are present.

**NOTICES**

For the next two months, the board of directors will meet on the second Monday of each month at 7:30 PM. The next meeting will be held on November 8.

The Student Bookstore has had little response from the freshmen about Greek functions. The Board Rotates elections and sets the date for the next election.

**Period of Change**

While this may seem a picayune criticism, we feel that any all-university activity as big as Homecoming cannot become popular and an unifying as intended if the school's top officer, or his representatives, is missing. Perhaps President Collins does not enjoy sports. It would be brought back to State, or perhaps he does not enjoy sports at all. Certainly some administration official could act in his place, then, and make the game the official's support it deserves.

Homecoming is a perfect time for a university to proudly display itself to alumni and the outside community as a truly vital force in society. It is the perfect time for a university to show the internal strength via a spirited parade and a well-assembled soccer game. Without the president, it hardly be so. The school leader must be there to show the strength.

Harriers Decision Plattsburgh; Via With New Pahz Tomorrow

Joe Musgrove

Albany State's harriers continued their winning ways as this morning Plattsburgh (14-11-2), and Bob Jones (14-11-2) took the place held by the Red Devil's. The other two touchdowns came via the interception route. Gaylord's best scoring opportunity against Van Cortland Park was a 62-yard field goal attempt. The Great Dane did an excellent job of clearing the line of scrimmage, as the juncture booters dropped another one for the second time in a row. The Van Cortland Park defense is quite effective in that it is very fast and good in stopping the ball. For the remainder of the period the Danes did an excellent job of containing the ball and limiting the power of the offense. Defensive Play Sparks Great Dane Homecoming Victory Over Potsdam

by Dave Mones and Ed Keo

Saturday the Albany State football led by veteran center forward Maurice Yoono, quarterback inside Twin Mills and goalie Jerry Leggetter gained a thrilling 2-0 victory over a previously unbeaten Potsdam eleven. The Great Danes were really up for the game and keyed on by a tremendous Homecoming crowd, they played their finest game of the season.

The first half was well played, easy-to-do defensive tackling. Scoring opportunities were few and far between as both squads displayed stout defense. Albany's best scoring opportunity was on the final play of the first half, after the Potsdam goalie made a save and from the back of the net had to pass the ball back to the forwards. The pass was intercepted by George Rollings, and Mulvey in second place, was 24.2 (0.8") for State were Bob Mulvey (24.25.5") in second place, and Mulvey's goal was a great one from out of the woods and the Danes were up 1-0. Mulvey's goal was a great one from out of the woods and the Danes were up 1-0.

In the second half, however, the Danes were starting to tire and the Potsdam forwards were finding more room to maneuver near MVCC's goal area, poor passing preceded any scoring opportunities. One of the few scoring opportunities was on the last play of the game, and urged on by a tremendous Homecoming crowd, they played their finest game of the season.
