That's Chesterfield

Great books have been written about tobacco and cigarettes... 
But after all it can be said in just a few words... they are milder, they taste better.

Jangled nerves
show in your face

Of course you don't want to look older than you are. That's one reason it's so important to watch your nerves. For remember, jangled nerves can mark your face indelibly with lines.

It doesn't pay to take chances with your nerves. Get enough sleep—fresh air—recreation. And make Camels your cigarette.

Smoke all the Camels you want. Their costlier tobaccos never jangle your nerves.

COSTLIER TOBACCOS
Camels are made from these, MORE EXPENSIVE TOBACCOS than any other popular brand of cigarettes!

CAMELS—SMOKE AS MANY AS YOU WANT... THEY NEVER GET ON YOUR NERVES!

TUNE IN: 5:00 P.M. SATURDAY; 7:00, 8:00, 9:00 P.M. SUNDAY; 12:00 P.M., 1:00, 2:00, 3:00 P.M. ALL SUNDAY.

VOTE TODAY

To Name 1934 "Hall of Fame" Students

Mark Ballot Printed Below and Mail Promptly to Collegiate Digest

Voting takes place this week in 141 Colleges and Universities to select students for Collegiate Digest's 1934 "Hall of Fame." The two students on each campus who receive the largest number of votes cast on the Ballot printed below will win. Collegiate Digest's count shall be final, and in case of ties, will cast the deciding ballot.

No votes will be counted unless made on this ballot, and mailed to Collegiate Digest before midnight on May 20. The Ballot will not be published again.

Collegiate Digest will award to each winner one of the new $7.50 Parker beautifully laminated Vacumatic Pens.

THESE TROPHY PENS will be your lasting gift of recognition to the student on your campus whom you believe to be especially deserving of an award for distinction. He or she will always prize it.

THERE IS NO FINER GIFT Students have always wanted one of these beautiful laminated Pearl and Jet Parker Vacumatic Pens, with visible ink supply. They are the sensation of the college campus—the envy of all who do not have them—holding 102% more ink than the rubber sac pen of equal size, and having a reversible 2-way point, ideal for lecture and class-room use, as well as for writing personal letters.

YOUR CANDIDATE may deserve "Hall of Fame" distinction for scholarship, for some extra-curricular activity, athletic, dramatic, literary, or musical ability, or for social graces, personality, comeliness, or a combination of several of these. Down where they grow tobacco...in most places Chesterfield is the largest-selling cigarette

—what does that mean?

—it takes good things to make good things.

—the mild, ripe tobaccos we buy for Chesterfield mean milder, better things.

—the way they are made means Chesterfields burn right and smoke good.

—it means that down where they grow tobacco folks know that mild, ripe tobaccos are bought for Chesterfield.

—and because Chesterfields are made of the right kinds of tobacco it's a milder cigarette, a cigarette that burns better. There is no substitute for mild, ripe tobacco.
