Eastern Inter-Collegiate Athletic Association Meets
Coach Maroney Represents State

New York State College was represented by Coach Arthur C. Maroney at the first annual meeting of the Eastern Intercollegiate Athletic Association, which was held Saturday, April 22, at Springfield, Mass. Representatives were present from many of the eastern colleges and were entertained at luncheon by the Springfield Board of Trade. The members voted to approve the constitution as read. Under this constitution there will be no hammer throwing event. For years many colleges have tried to do away with this event, because it is so dangerous.

OUR MUSICAL OPPORTUNITIES

A recent editorial in the "News" spoke of the lack of musical opportunities at State College. This condition must be remedied and soon. Some day, perhaps, conditions will change. Music Club is to be continued.

But, while we lament, why do we not grasp the musical opportunities which are within our reach? There are resources within us, open to everyone. Just now there are two rare opportunities awaiting our seizure. Wednesday afternoon during the Lenten season, Dr. Thompson, our own faculty, is giving a series of organ recitals at the First Presbyterian church. The hour is five o'clock, and the church is at the corner of State and Willet streets. Dr. Thompson is an organism of musical ability, and of growing reputation. He presents some splendid programs—giving numbers well worth hearing. Yet, last week we had only two or three really enthusiastic people, and these were faculty members who have heard his splendid recital,oes.

Again, Harry Russell, '18-'19, is also presenting a series of Lenten recitals at the First Presbyterian church. This is a series for a distinctive State College song, and because of sufficient musical ability, and of growing reputation. He presents some splendid programs—giving numbers well worth hearing. Yet, last week we had only two or three really enthusiastic people, and these were faculty members who have heard his splendid recital,oes.

Perhaps this is not the time to bring into such great notice the splendid new State College alma mater, will be written and christened moving-tip day.

CONCERNING STUDENT ASSEMBLY

A few weeks ago a member of '22 wrote an article extolling thefreshmen to improve their conduct in student assembly. We learn that the freshmen realize the need of such an improvement and are trying to bring it about. Upper classmen, are we at the point where the freshmen have to set the pace. Doubtless it will be had.

STATE INDEPENDENTS WIN
(Continued from page 1)
was so exciting that they did not have time to ask.
Milne had much the better of the game, but Miller and Johnson overcame this by their wonderful shooting. Johnson jumping center for Milne High and Lobdell jumping center for the Independents furnished a treat all by themselves. Both were in the game all the time and each was the back bone of his respective team's offensive and defensive play. Johnson was better known as the game. In his absence, the Independents seemed to drop out of sight. Metzker and Captain Sexton are very effective inside men for Milne and Fitz and Baker extend themselves to the limit.
"Emmet" Dowling, who refereed the Frosh-Milne game last Friday, will handle this game in the same gallant manner. Both teams will practice hard this week and expect to make a creditable display when the whistle blows to start the game.
