FACULTY TO PUBLISH SORORITY SCHOLARSHIP RATINGS

STATE SENATOR BYRNE, MILNE HALL SPONSOR, TO TALK HERE TODAY

State Senator William T. Byrne, of Albany, sponsor in the legislature of the bill for the $1,000,000 Milne Science hall addition to State College, will speak at both assemblies this morning.

In the Daily, President of the student association, has announced that the student directory census will be taken by each student filling out a card for the assembly today. The committee for this year is composed of Marion Rhodes, '28, chairman; Abbie Crawford, '22, assistant chairman; Lorena Shaffer, '22, Winifred Carey, '23, Ruth Lane, '28, Mildred Landy, '29.

The committee is busy working on the project and the estimated cost is not yet known but plans to keep the cost within the amount pointed out by the committee in the annual budget.

MALE ENROLLMENT NOW MORE THAN LAST YEAR

Male enrollment at State this year totals 109 students, ten more than last year, according to the enrollment report of the registrar's office.

The committee is busy working on the project and the estimated cost is not yet known but plans to keep the cost within the amount pointed out by the committee in the annual budget.

LEADERS ARE BACK OF BRUBACHER PLAN

But They Object To Further Lectures, Symposium Discloses

MAY REVEAL JUNE MARKS

Forthcoming publication by the faculty of the relative scholastic standings of the college sororities has brought a wave of interest among the sorority presidents, in a symposium conducted by the News, frankly expressed their views on this and on the special meeting of sorority presidents last week by President A. R. Brubacher to discuss disciplinary matters.

Marion Chesbro, president of Delta Kappa, spoke at the request of President Brubacher. Room 250 was filled to the last seat.

His purpose of asking for a 100 per cent attendance, he said, was to present to the members of the sororities, conditions existing at some of the homes, some of which, by the cooperation of college authorities and the sorority members, can be remedied with sincere effort. He hoped, he said, that he might stimulate the various groups into taking better care of their members. Much can be done by selecting house mothers, who do not fear becoming unpopular under the burdens of cooperating with college authorities when necessary, he declared.

He suggested that the individual sororities discuss intimately the conditions existing in the various homes, and to frankly suggest remedies. One, which is used in most colleges today, he said, is the publishing of the average scholarship of each sorority after each examination. The qualification for continued membership in any sorority should be rigidly enforced as the qualifications for enrollment. They must begin to feel that the moment they are recognized by the college, their every action affects the college as a whole.

The authorities are thus permitted to lend a helping hand whenever necessary.

The sororities will decide for themselves whether or not they are willing to be placed according to scholarship before the eyes of the public, he said. From the opinions of the presidents of the various sororities, they seem to be willing to act according to President Brubacher's plan.

President Chesbro, president of Delta Kappa, approved wholeheartedly of having joint meetings often. To achieve the purpose of the movement in which we all feel that we have an active part, we believe and I'm sure the girls feel with me, that comparison of average scholarship of each sorority should be published promptly after the January examinations, she said.

Marion Chesbro, president of Delta Kappa, said:

"The present system places much more confidence in the individual's honesty and will command the respect of the student body. I believe that it will not fail if the students give it their support. A trivial excuse will not suffice.

"In filling out excuse blanks, students are requested to write their name and address instead of date and periods, as called for on the blank. Writing the name of the student instead of the excuse will facilitate the work in the registrar's office, Miss Elizabeth Van Denburgh said.

FACULTY TO PUBLISH SORORITY SCHOLARSHIP RATINGS

SOPHS INFLECT "GET WISE" ON '29 TODAY

Yearling Initiation, Robed of Horrors, To Be This Evening

STORM SPARES SKULLS

Freshmen will "Get Wise" tonight. The annual initiation party of the sophomore class for the freshmen will be held at eight o'clock in the gymnasium. Afternoon, will be required from all freshmen. Sophomores who wish to attend must drop in and register. Robbed of its usual "bloodthirsty" features and shorn of much of the terror of former years, the "Get Wise" party will nevertheless be sufficiently lively to keep freshmen interested. Frances E. Griffin, president, of the sophomore class, said:

"The committee is busy working on the project and the estimated cost is not yet known but plans to keep the cost within the amount pointed out by the committee in the annual budget.

New Double Assembly Period Takes Effect Today;
Dr. Metzler Says Attendance System Is Still On Trial

The new ruling concerning the compulsory attendance of upper-classmen at the weekly chapel exercises will go into effect today. Dr. A. H. Brubacher and that definite schedule will be assigned to all students of the college, the list to be posted on the main bulletin board, this week. The period will be divided into two parts, the seniors and sophomores attending at 10:55, while juniors and freshmen assembly at 11:30.

Dr. Brubacher said he will be necessary to make further explanation concerning some of the new student rulings which are being put into effect this year. Such explanation will be made to the students today, by Dr. Brubacher. Excuse forms must be filled out by the students and presented to each instructor before the student will be excused to classes from which he has absented himself. After being signed by a physician, the blanks should be filled in the excuse box outside the registrar's office, not returned to the excusing officer, except in unusual cases where the signature of such officer is necessary. Dr. Brubacher said that many students have confused the two parts of the rule. If the students do not fear becoming unpopular under the burdens of cooperating with college authorities when necessary, he declared.

He suggested that the individual sororities discuss intimately the conditions existing in the various homes, and to frankly suggest remedies. One, which is used in most colleges today, he said, is the publishing of the average scholarship of each sorority after each examination. The qualification for continued membership in any sorority should be rigidly enforced as the qualifications for enrollment. They must begin to feel that the moment they are recognized by the college, their every action affects the college as a whole.

Faculty Will Publish Sorority Scholarship Ratings; Leaders Approve But Object To Further Lectures

The New York city branch of the Gamma alumni held its first fall meeting September 26, with Mie McManus, 28, and Harriet Parkin, 28, as pledge members.

Bela Zeta welcomes Doris Craig, 28, as a pledge member.

Dan Philo welcomes Grace Brown, Elsie Grant, and Bertha Ziman to the membership.

Jacqueline Monroe, Marjorie Call, and Margaret Hutchings, all of Delphi Delta, were emphasized as new members of the Gamma Kappa Phi welcome pledge members Rosina Holmes, from Alpha Delta, and Arlene Jones, as results and continuities of the whole sororities. The average scholarship idea is fairer, because it gives the basic facts that are evident, and gives an immediate indication to raise the scholarship average of the sorority in general. Dr. Charles, president of the Gamma Kappa Phi sorority, said, "I like the scholarship idea. Any more would seem to be superfluous. Publishing of average scholarships stands in such a way as to increase the effort and incentive and to encourage the basic conditions of the whole sororities. I believe it would be fairer rather than quantity will be the incentive." Muriel Bellows, president of Psi Gamma, said, "I approve of publishing the average scholarship of the sorority. I think that in any college, sororities should compete with each other as well as for student honors, and until now sororities have not felt any such competition. I do not disagree of publishing the ratings of last June. It seems to me that the comparison of what they will do with competition, would be worthwhile. As to joint conferences like Thursday's, they are the thing to work the serious credit. It seems to me that just as much ordinarily can be accomplished through interest competitions, there is a lifted feeling that presents open and free discussion when the whole sororities are together."

Kirtland gives talk

Professor Richmond H. Kirtland, of the English department, spoke on "factory Methods in Schools," at a teachers' convention in Chippewa last spring, October 9. "Accuracy and speed constitute the first level in the school and in the college," said Professor Kirtland. "Originality or creative ability is the second stage."

Handbook biggest yet

Three weeks before the meeting of college, freshmen received the "freshman bible." New features continued. Maxine, the new Interclub Kite Rules President Brudhoch's most recent picture, new clubs and athletic writings, and the new Albany map, was published.

Ten more pages were added this year with comparative little increase in cost. The five hundred copies ordered allowed one hundred for exchanges. Katherine Blinn, 22, editor-in-chief, was assisted by Cornelia Bunnell, Louise Gunz, Mary Harris, and Madeline Tietjen, all of 27.

Calendar

Today

4:00 P. M. Chemistry Club
Room 250.
8:00-10:00 P.M. Get Wise Party
Room 103.

Tomorrow

12:00 Noon. Indian Ladder IKE
8-00-9:30 P.M. Elementary Piano
Meeting.

Sunday, October 18
9:00 A.M. Church Clubs for munition—Church of St. Vincent de Paul.

Monday, October 19
Junior Student Tax Collected Room 101.

Tuesday, October 20
Student Tax Collected Room 101.

Wednesday, October 21
3:00 P. M. Y. W. C. A. Meet
4:00 P. M. Political Science
Room 101.
8-00-10:00 P.M. Swimming Public Bath No. 3.

Saturday, October 24
Campus Day.
Harry Elmer Barnes To Talk On Conflict Of Ideals; Y.W.C.A. Will Also Have Reading By Miss Futterer

POLITICAL SCIENCE CLUB TO HAVE HOLIDAY DINNER

A Thanksgiving dinner was planned at the first meeting of Political Science club, October 6. The dinner will take place Tuesday evening, November 24, at 8 p.m. It will be an original entertainment and a prominent speaker. Esther Jansen, 26, president, appointed these committees: social council, chairman, Mainie Gann; entertainment, Miss Driver, 26; treasurer, Mary Wirtz, 27; secretary, Dorothy Handlin, 27, reporter, Evelyn Bache, 28. There are seventeen sophomore and thirteen freshman members of the club. Harry Elmer Barnes, professor of sociology and history at Smith college and widely known for his sensational addresses on political subjects, will speak at the dinner in Albany, under auspices of Y. W. C. A.

Professor Barnes will give an address at the dinner. The dinner committee has planned an uncompleted term will seek return to the Republican ticket. He is also back in college after his teaching experience.

FRESHMAN CLASS IS URBAN, FIGURES SAY

More Residents in Cities Than in Country, President's Report Shows

The proportion of the freshman class, as well as the final figures on summer school enrollment, announced yesterday by President Burnhuth and Student Assessor, Mr. Baker, was 70%.

Of the freshmen, 176 come from cities and 128 from towns, villages, and rural communities. Fifty counties are represented. Fifty-four principals and teachers of public schools and 244 high schools and 124 unclassified; 63% of the students were women.

PRESIDENT MEETS ALUMNI

President A. R. Brucker has returned from the Essex County Alumni's conference, held at Lake Placid, October 5, 6, and 7. The libraries of the school were represented were: Skidmore college, Emma Willard school, Rensselaer Polytechnic Institute, Union college and State College.

Margaret Bone, 25, president of the Y. W. C. A., called the students at her last summer, said, "I have been a reporter for some time. The talk was included with the general meeting at this year's meeting was held at the Y. W. C. A. in the city of Albany. All other large county communities are: Schenectady 31; and Schenectady 21.

Capitol District communities are far away in number of students. Forty-three freshman come from Albany. The next most populous, in this case are two towns and cities with five or more were Hudson, Cohoes, Glenn Falls, Troy, Utica, Blindensfand, Kingston, Saratoga Springs, Little Falls and Rome.

"Our record enrollment this year," Dr. Brucker explained, "is not because of the size of the freshman class, for that has been consistent. It has increased because of the larger number of students.

It is the first annual trip to the Saratoga ballroom, 1926; entertainment, Louise Nottingham, N. Stoddard, Mary Seedcr, S. Terek, Mary E. Roberts, 25, and Elizabeth Strong. Beatrice Handlin attended the Penn camp, where she was last summer, and Kingdom Moody's "The Great Gatsby," and the preceding season-on to Ocean Grove. "The Winesburgs." The ball will be under the auspices of Miss Elizabeth Handlin of the Eastern area, and 40 Western area, Thursday.

The topic was chosen by the students, who have settled church in the final at 64th Street, will be made in the final at 64th Street.

JUNIORS ENTERTAIN WITH "PATCH-QUILT" PARTY FOR SISTERS

The junior-freshman patch quilt party was Friday night. The juniors and freshmen in their masquerade costumes, olive-skinned gypsies with squinting eyes, dainty crinoline maids, gauzy "desperadoes," swash-buckling pirates, and dark-skinned "flowers of the desert" "patch-quilted" the auditorium with gay colors.

The entertainment was led by a group of dancing girls: Alma Falle, Bertha Zajan, Melanie Grant, Lillian Eckler, Norene Dorsey, and Madeline Teijen.

In the next patch of the entertainment, Hilda Sarr, the girl, went riding with Thelma Temple, the hoy, in an automobile. The scene was laid in an old country furniture where mother, Helen Denes, supervised the quilting party, which was patched by bright bits of entertainment. Marian Quackenbush imitated an old lady, Ruth McNutt told a story, Ruth Moore, 27, and Alma Falle sang, Bertha Zajan played the violin, and Ruth McNutt and Alma Falle concluded with a dance.

The gymnasium was decorated with patch quilts in great letters of 1929 and 1929. There was a masquerade parade before the dancing. Professor George M. York and Mrs. York were judges. Prizes went to Lorena Shaffer for the funniest costume, and Jeanic Cannell for the most original costume. Marian Quackenbush, Orchard Smith, '21, and Kate Underwood, '22, were judges.

There was a masquerade parade. The next scene was laid in an old country furniture. Moira Bell, the girl, went riding with Thelma Temple, the hoy, in an automobile.
