Stickmen rebound to top Buffalo State, 13-12

By Mark Wrigley

Lacrosse is a game that may experience skill and experience in the 13-12 victory over Buffalo State. The Albany State men's lacrosse team overcame a deficit of 13-12 to post a 13-12 win over the Bengals.

Coming off a loss to Hamilton, Albany State was determined to bounce back. The Bengals, who entered the contest with a record of 6-3 and riding a four-game winning streak, were the favorite.

The game started off with a bang as Albany State scored four goals in the first quarter to take a 4-0 lead. However, Buffalo State fought back and scored 12 unanswered goals to take a 12-4 lead into halftime.

In the second half, Albany State's offense came alive. They scored nine goals in the third quarter to take a 13-12 lead into the final period. Despite Buffalo State's efforts to come back, Albany State held on for the 13-12 victory.

The win propelled Albany State to a 5-2 record on the season and kept them in the mix for a conference championship. Albany State will look to continue their winning ways as they face their next opponent.

Albany trackmen race past Hamilton, 102-61

By Tony Rizzo

The Albany State track and field team overcame a 13-12 deficit to win the meet against Hamilton College. Albany State scored 102 points to Hamilton's 61, winning the meet by a comfortable margin.

The meet was held at the University at Albany's Lodge Track. The Danes were looking to bounce back from a recent loss and were determined to come out on top.

Albany State's strong performance in the hurdles and sprints led to their victory. The Danes took first place in the 110-meter hurdles, 400-meter hurdles, and 800-meter run.

The Danes also swept the long jump, triple jump, and shot put events. Albany State's strong performance in the field events helped them to a 102-61 victory over Hamilton.

The meet was a great success for Albany State and they look to continue their winning ways as they prepare for their next meet.
Iran expels party

(AFP) Iran has expelled the country's principal party, urging it to disperse and to foreign powers, one day after it accused the regime of interfering in its internal affairs. The expulsion comes one day after the party was reportedly expelled from the country.

The expulsion was a major blow to the party, which had been in power since 1989 and had been a key player in the country's political scene. The decision was made by the country's supreme leader, who said the party had been interfering in the country's internal affairs.

The party's leader, who had been a key figure in the country's political scene, was arrested and deported.

Copter hit in Beirut

(AP) A mission to the Schuyler Mansion is scheduled for Saturday, May 14, and Sunday, May 15, in Schuyler County.

The mission will feature a chopper, which went aloft after French country would be prosecuted as a counter-terrorist operation. The mission was scheduled for May 9-11, in celebration of the Albany Tulip Festival.

The mission will be free, but those who failed to report by May 7 in Tehran or June 15 in the rest of the world will be charged.

The mission will be held in the history of the American Revolution, and the mission will be conducted by the Albany College of the Arts, on 1965, according to Dr. Howard Hageman, who is in charge of the mission.

Some critics of the utilities hailed the commission with "treacherous and mercenary proceedings from a handful of town meetings."

Grad assistants plan to unionize

By Mark Hofstraum

Graduate student employees at SUNY are planning to unionize under the auspices of the American Federation of State, County, and Municipal Employees union (AFSCME) after months of negotiations. The move comes even though an earlier attempt to unionize SUNY graduate assistants in 1979 failed because the students were intimidated by a SUNY Research Foundation. The students now plan to approach the SUNY Research Foundation again.

The SUNY Research Foundation will not comment on the unionization efforts, nor will SUNY research foundation officials. However, SUNY officials have said that they will not interfere with the students' right to unionize.

The SUNY Research Foundation, which is a state agency, is not subject to the same labor laws as private companies. Therefore, the students' right to unionize is protected under federal law.

The students plan to approach the SUNY Research Foundation in the fall with their unionization efforts.

Clean-up day scheduled for downtown Albany

By Scott Fox

When SUNYA students leave Albany, they leave a beautiful campus. However, it is up to the townspeople to keep it that way. Each year, SUNYA's campus association sponsors Clean-Up Day within the SUNYA community to recycle waste and prevent the theft of focused materials.

The University settlement is located in SUNYA's Student Dorms adjacent to the Student Association, a group of SUNYA students who help organize events for the community.

The clean-up will include the area around the SUNYA settlement and the SUNYA campus. Volunteers will also pick up all garbage from the area around the SUNYA settlement and the SUNYA campus.

The SUNYA settlement has a history of cleanliness. Residents and volunteers are always on the lookout for litter and waste. They work hard to keep the area clean and safe for everyone.

The annual clean-up day has been sponsored by the SUNYA settlement for over 10 years. The SUNYA settlement has a history of cooperation with SUNYA students and staff to keep the area clean and safe.

This year's clean-up day will be held on May 14, starting at 9 a.m. Volunteers will be available to pick up large items from the area around the SUNYA settlement and the SUNYA campus.

For more information, please call 462-8541. The SUNYA settlement staff will be happy to help you out.

Cinemas

"The Call of the Wild." The Call of the Wild is a classic adventure movie that has been released in theaters. This movie is based on the novel by Jack London and tells the story of a dog named Buck who is taken to the Yukon during the gold rush.

The movie follows Buck's journey to the Yukon and his adventures with his owner, John Thornton. Buck meets many interesting characters along the way, including a Gold Rush miner named Dan Muldoon and a group of trappers who are trying to catch him.

The Call of the Wild is a heartwarming story that is sure to please audiences of all ages. The movie is beautifully shot and features a great cast of actors.

"May 6, 1983 edition of Corso and the Word." This was the last issue before Corso resigned from his position as President of SUNY at Albany. The article discusses the issues faced by the university community and the importance of student involvement in addressing these issues.

Subtle discrimination

The article highlights the importance of recognizing and addressing subtle forms of discrimination, which are often overlooked or downplayed. It emphasizes the need for a constructive and effective approach to combatting such discrimination, highlighting the role of students, educators, and administrators in fostering a more inclusive and equitable environment.

Van Henri White

The article discusses the concept of a "limited, winnable nuclear war" and its implications for the future of nuclear arms control. It argues that focusing on "limited, winnable nuclear war" involves ignoring important aspects of the problem, such as the need for non-nuclear weapons and the potential for proliferation.

Good luck

The article reflects on the legacy of Mike Corso as President of SUNY at Albany, noting his contributions to the university community and his impact on the institution.

A Celebration of James Joyce and Summer

The article celebrates the publication of James Joyce's works and the celebration of his birthday, highlighting the importance of his contributions to literature and culture.

The concept of a limited, winnable nuclear war was conclusively disproven when...

The article discusses the concept of "limited, winnable nuclear war" and its historical context, noting the ways in which it has been challenged and discredited over time.

The editors of Tangent wish to thank all those who contributed to this Tangent.

Editor’s Aspects

I remember when we did our first issue, last semester. We didn’t have enough copy for our sections, and we lost Megan. I tried to do it all, but we kept finding ourselves in front of the computer, trying to come up with the ideas to make the content work “balanced”. We tried to keep the content of “Great Expectations” in the coming freshman class. But looking back on it, I realize that this was as much for the high hopes we had for ourselves as the months that were ahead. But the feeling of pressure taking on the job of editor, and to have so many others before me that had great success, was with us every single day. This was the only way we could fulfill our hopes for the magazine, and as a result, we kept finding ourselves in front of the computer, trying to come up with ideas to make the journal work “balanced”.

A Time To Celebrate

On Saturday May 1st, at 8:00 p.m., the Graduate, second floor of the Student Union, will be the site of the UNIVERSITY OF SOUTHERN NEW YORK's FIRST ANNUAL ALL NIGHTER!

Mark Bodson

The idea for the bash of the century was triggered by an ad for the ALIVE album, which appeared in the magazine "Billboard." The album features the band's first single, "Celebration," and has been described as "the perfect album for a party or a wedding." The band has also been promoting their new single, "Sunday Bloody Sunday," which has been described as "the perfect album for a funeral or a funeral." The event will feature music by the band, as well as other bands, and will be followed by a breakfast and a brunch.

Etiquette '83

The new rules for the season:

1. No smoking in the library.
2. No talking in the library.
3. No eating in the library.
4. No drinking in the library.
5. No cell phones in the library.
6. No laptops in the library.
7. No backpacks in the library.
8. No bags of any kind in the library.
9. No food or drink in the library.
10. No visitors in the library.

Andy Carroll: SUNY - Product Of An All-Nighter

Writing for Zeke

Andy Carroll

Tom Holland, chair of the SUNY Board of Trustees, announced today that the SUNY system will be the site of the first all-nighter in the state. The event will feature music, food, and drinks, and will be open to the public. Holland said that the all-nighter is "a great opportunity to celebrate SUNY and its achievements." The event will be held on the SUNY campus, and will feature music by the SUNY band, as well as other bands from the area. The event will also feature a variety of food and drink options, as well as a variety of entertainment options, including a movie screening and a dance party.

To The Editor:

The Time-Energy Uncertainty Relation... momo. Without you. Have a great summer.

I am concerned about the issue of violence against women, and I believe there are steps we can take to address it. Violence against women takes many forms, including rape, harassment, and domestic abuse.

The result is the neglect of common goodwill, at the expense of our own freedom. The freedoms we have in this country are not enjoyed by all, and we must work to ensure that everyone is able to enjoy them.

Stickmen now 7-4 after falling to Red Raiders

The Albany men's hockey team psyched up to meet the Red Raiders, the University of Vermont, in a Saturday night tilt, and although it was a tough game, they managed to come out on top 7-4.

In Monday's game, Albany's offense was led by Mike Motta, who scored three goals, and Gary Friedman, who added two goals. The Red Raiders' offense was led by Bob Venler and Dave Cerny, each with two goals. The Danes pulled off a double steal, and the game went into a tie at 1-1.

The Danes went on to win the game with a strong performance by their offense, led by Mike Motta and Gary Friedman. The Danes' defense held strong, and they were able to secure the win with a 7-4 victory.

Albany's netmen close out '83 campaign by finishing with impressive 11-3 mark

The Albany men's track team closed out their season with an impressive 11-3 mark, with their final victory coming against Union College.

The Danes scored well in the meet, beating out Union, RPI, and Hartwick. The top performers included Barry Levine, who won the event, and Fred Gaber, who took third place. The Danes were also victorious in the 4x400-meter relay.

Men's track team takes first in four-way meet

The Albany men's track team took first place in a four-way meet that included SUNYAC, the University of Vermont, and Colgate.

The Danes were able to secure the victory with strong performances across the board. Barry Levine, who won the event, and Fred Gaber, who took third place, were key contributors to the team's success.

Danes split a pair at home

The Albany men's track team played a doubleheader at home, with victories over Union College and a loss to Colgate.

The team was able to secure the win against Union College with strong performances in the 4x400-meter relay and the 100-meter dash. However, they were defeated by Colgate in the 4x100-meter relay.

Newly minted umpire

Fred Gaber and the Men's Tennis Team were minted on May 13 and 14th.

Danes split with Binghamton in home opener

By Marc Schwarz

There is a saying that good things come to those who wait. This Albany State College softball team certainly has been waiting. They had a home doubleheader at the University Field against SUNYAC rival Binghamton in Albany last weekend. The Danes split the twinbill with Binghamton, 3-2 on Saturday and 2-0 on Sunday, improving their overall record to 8-12. Ashley Peerson was the key performer in both games. In the first game, she pitched a complete game allowing just one earned run as the Colonials scored twice in the second inning. Peerson allowed seven hits and struck out two. The Colonials scored twice in the second inning and held on for the victory. In the second game, Peerson pitched a two-hit shutout as the Danes scored two runs in the first inning and held on for the win.

Softball team looking to defend championship

By Mary LCD

The Danes are looking to defend their SUNYAC championship. They finished the regular season with a 13-9 record, but are hoping to improve on that this year. The team is led by senior captain Ashley Peerson, who is coming off a solid season. She led the team in home runs with five and also had a .291 batting average. The Danes have a young team, but are hoping to improve on their record this season. They have a tough schedule ahead of them, but are looking forward to the challenge.

Haspel earns high marks

By Marc Schwarz

The Colonials scored twice in the second inning and held on for the victory. In the second game, Peerson pitched a two-hit shutout as the Danes scored two runs in the first inning and held on for the win.

One last look at four Albany Great Dane years

By Marc Schwarz

Bears. What transpired inside the jam-packed bleachers at the University Gym was a true classic. The Danes and Bears battled for the SUNYAC title, with the Danes winning 48-39. As the final buzzer sounded, the Danes erupted in celebration. It was a game that will be remembered for years to come.

As I watched Southern Connecticut State University walk off the SUNYAC field with the victory, I knew that I was witnessing something special. The Danes had won their first SUNYAC championship, and it was a moment that would be etched in the memories of all who were there. The game was a back-and-forth battle, with both teams battling for the lead. In the end, the Danes emerged victorious, and it was a moment that would be remembered for years to come. The Danes had proven that they were one of the best teams in the SUNYAC, and they had earned their place in the history books.
Sports Friday
1982-83: A memorable Dane year

By Marc Schwartz

There are many reasons a fan of a team could be inclined to attend a game. Perhaps it's the excitement of the occasion itself, the thrill of rooting for one's favorite team, or simply the love of sports and all things associated with it. For those who are true fans, however, there is one thing that stands out above all others—their team's performance on the field or court. For the Albany men's basketball team, the 1982-83 season was one that will be remembered for many reasons, most of them positive.

The season began with high expectations, but not without its share of challenges. The team had a fresh start after last year's disappointing 8-13 mark, and there was a sense of optimism among the players and coaches alike. The Danes were led by senior co-captain Mike Gatto, who had been a key player throughout the previous year. Other veterans, such as guard John Dickelman, contributed to the team's success throughout the season.

The Danes opened the season with a convincing win over Buffalo State in November, thanks in part to a strong performance by Gatto. The team continued to build on this momentum, winning five of their first six games. However, the season was not without its setbacks. As the winter months rolled around, the team faced a series of challenging opponents, including the SUNYAC champions, the Cortland Red Dragons. The Danes struggled to find their rhythm, and several close games ended in losses.

Despite these challenges, the Danes managed to keep their heads up and continue to push forward. They won a key game against the SUNY Cortland Red Dragons, the defending Binghamton University Bulls, and the SUNY Brockport Golden Eagles, among others. The team's resilience was evident in their performance, and they managed to clinch a spot in the SUNYAC tournament.

The Danes entered the SUNYAC tournament with a strong sense of confidence. They faced off against Rhenish's Sieve in the quarterfinals, and the game was a fierce battle. The Danes emerged victorious, moving on to the semifinals against the defending champions, the Cortland Red Dragons. The game was thrilling, with both teams giving their all. The Danes ultimately pulled out a win, securing their place in the championship game.

In the championship game, the Danes faced off against the Cortland Red Dragons once again. The game was a neck-and-neck battle, with both teams pushin...
A brief look at the events of the past year

May 26, 1983 marked the passing of an Albany Institution, Mayor Erastus Corning II, leader of the last 41 years of City Hall. He died in a charity hospital at age 73. The mayor, who was commonly known, dominated Albany in unprecedented fashion for 41 years, and his passing marked an era of change for the city. His successor is Albany Common Council President Thomas M. Whalen III.  

JUNE 27, 1983

By: Amy Adams

The biggest tuition increase in SUNY history occurred on May 25, when the State University Board of Trustees approved a tuition hike of $1000, for a total bill of $3185. The increase was expected to take effect this fall, but SUNY said it would not affect current students. The increase is the result of Governor Mario Cuomo's executive budget, which requires the university to generate $44 million. The Board of Trustees is scheduled to vote on the budget on June 27.

ALBANY STUDENT PRESS

The significance of this event is a matter of debate. Many students have expressed concern about the impact of the increase on their finances. The tuition hike is expected to affect all students, regardless of their residency status. Undergraduate students will pay an additional $900, bringing their tuition up to $2250 a year. Out-of-state students will pay an additional $1500, bringing their tuition up to $3350 a year. Non-resident students will pay an additional $2000, bringing their tuition up to $4000 a year. The increase is expected to take effect this fall.

By: David E.L. Luckie

It is known that the University of New York, and its predecessor, the State University of New York, has a history of tuition increases. The most recent increase occurred in May 1983, when the State University Board of Trustees approved a tuition hike of $1000, for a total bill of $3185. The increase is expected to affect all students, regardless of their residency status. Undergraduate students will pay an additional $900, bringing their tuition up to $2250 a year. **Bottle Bill postponement is called unnecessary**

By Tony Silber

A number of last year's bill supporters, including the New York Senate Majority Leader, are calling for a postponement of the New York Senate's vote on the New York State Returnable Bottle Bill. The vote was scheduled for May 27, but has been postponed until at least Thursday, July 1.

Supporters of the bill say it would provide a significant economic boost to the state's beverage industry, and would also help the environment. Opponents, however, argue that the bill would lead to higher prices for consumers and would increase costs for retailers.

On the day of the vote, the Senate Majority Leader announced that the bill would be delayed indefinitely. He said that the Senate would continue to work on the bill, but that a final decision on whether to pass it would not be made until after the summer recess.

The postponement of the bill comes after a series of delays and setbacks for the legislation. The original implementation date of July 1 was postponed in 2012 due to concerns about the cost of compliance.

The bill would require the redemption of all single-use beverage containers, including bottles, cans, and aluminum cans. It would also require the transportation of the containers to a redemption center, where consumers would receive a refund for their deposit.

Supporters of the bill argue that it would provide a significant economic boost to the state's beverage industry, and would also help the environment. Opponents, however, argue that the bill would lead to higher prices for consumers and would increase costs for retailers.

Supporters of the bill argue that it would provide a significant economic boost to the state's beverage industry, and would also help the environment. Opponents, however, argue that the bill would lead to higher prices for consumers and would increase costs for retailers.

The postponement of the bill comes after a series of delays and setbacks for the legislation. The original implementation date of July 1 was postponed in 2012 due to concerns about the cost of compliance.

The bill would require the redemption of all single-use beverage containers, including bottles, cans, and aluminum cans. It would also require the transportation of the containers to a redemption center, where consumers would receive a refund for their deposit.
Local Music Update

I am in rockabilly heaven! A band from Albany has scored a number of hits with their original music and are gaining popularity. The group is known for their energetic stage presence and their rockabilly sound. They have recently released a new album that has received critical acclaim. The lead singer is a dynamite performer and the overall sound is tight and cohesive. I highly recommend checking them out if you are a fan of rockabilly music.

Speaking In Modern English

"Well, I guess I've only ever been to the beach once. It was during the summer of my senior year in high school. We went camping in the Catskills and I remember waking up one morning to the sound of waves crashing against the shore. It was a beautiful day and I was so excited to be there."

L. S. Lane

Discovering

In this comic, the main character is exploring a new place and encountering various obstacles along the way. The humor comes from the character's naivete and the unexpected situations that arise. This is a great read for anyone who enjoys a good laugh and a bit of adventure.

Hubert-Kenneth Dickey

Self-Exploitation

This book explores the theme of self-exploitation and the negative consequences that can arise from it. The author presents a compelling argument against exploiting oneself and encourages readers to find alternative ways of achieving success and happiness. This is a thought-provoking read for anyone interested in personal growth and self-improvement.

Hubert-Kenneth Dickey

Commentary

This commentary piece discusses the importance of diversity in our society. The author argues that diversity is essential for the well-being of individuals and communities and that we should work towards creating an inclusive and welcoming environment. This is a must-read for anyone who values diversity and wants to learn more about its significance.

Frankly Living In

The entire Frankly Living is shown that Monday. Because it was
the most entertaining event of the week, the Frankly Living tas
was put on by the Frenzy population. The Frenzy population
was large and the Frenzy population was diverse. The Frenzy
population was made up of students, faculty, and staff. The
Frenzy population was known for its love of music and its
love of partying. The Frenzy population was also known for its
love of Frankly Living.

Kevin Clarke

The entire Frankly Living was shown that Monday night. The
Frenzy population was large and the Frenzy population was
diverse. The Frenzy population was made up of students,
faculty, and staff. The Frenzy population was known for its
love of music and its love of partying. The Frenzy population
was also known for its love of Frankly Living.

Editor's Note:

At this issue goes into production, Frankly Living Room is
opening its doors and inviting students to come and
relax. The Frankly Living Room has been
renovated and remodeled during the month of June. We at
the AUPC recently housed the Frankly Living Room has
not lost its unique ambiance, that special
atmosphere that makes it one of the legendary drinking
establishments.

The bar is a place where people come to unwind. Old
friends come to talk, to reminisce, to share stories of
their lives. The bar is a place where people can
relax, where they can forget about the
stress of their day. The bar is a place
where people can come together and
enjoy each other's company.

The bar is a place where people
come to socialize. It is a place where

come to be. The bar is a
place where people can
be themselves, where they
can be authentic.
### Editorial

**Changing of the guard**

A new era dawns as Jim Scrablek is named head coach of the women's tennis team. This change marks the end of a long tradition, as Coach Hob Lewis' team defeated Colgate in the final match of the outdoor regular season, the Danes' last event on campus. A promising start to the fall season could be made as a result of this replacement.

### Letters

**Women's studies help**

The idea is to add women's studies. This can be done through a concerted effort to train professors and faculty members in the field of Women's Studies. The program will be open to all students, regardless of major.

**Defining rapists**

To the Editor:

The label of the rapist is not as simple as it may appear. Examining the characteristics of rapists, it is clear that a rapist is not necessarily a person who is anatomically male. A rapist can be any person who engages in the act of rape. The label of rapist is best defined as a person who engages in the act of rape.

### The 1982-83 Dane year in review

This is the only issue of the ASP for the summer. We will resume regular publication with an issue on September 15.

The Gay and Lesbian Alliance (G.A.L.A.)

We Serve the Gay and Lesbian Community with:

Weekly Meetings
Where we plan activities, hold discussions and have speakers on topics such as coming out, legal rights of gay and lesbians and bisexuals.

Support Groups
Middle Earth and G.A.L.A. provide the opportunity for gay men and lesbians to meet and discuss their special problems and concerns.

Political Knowledge & Involvement
Such as a growing awareness of important gay issues like a SUNY - wide policy statement of no discrimination on the basis of sexual orientation preference.

Public Education
To help dispel negative stereotypes and myths about gays and lesbians. The group has sponsored the film "Word is Out" and speakers such as Vito Russo and Leonard Matlovich. All activities are open to the entire university community.

Communication
Meeting with other gay and lesbian groups in the state. We provide a resource guide to the Gay Community in Albany.

We meet every Tuesday, September to May at 8:30 p.m.
In CC 375. Look for posters when school starts in the fall for more details call the office or stop by.
We're located in CC 333, 457-4078.
